The new vol. 3 of the GAO and the President's Council on Integrity and Efficiency (PCIE) "Financial Audit Manual" (FAM). GAO and the PCIE issued the joint FAM in July 2001. The FAM presents a methodology to perform financial statement audits of fed. entities in accordance with professional standards. GAO has updated the FAM for significant changes that have occurred in auditing financial statements in the U.S. gov't. since the last major revisions to the FAM were issued in July 2004. These checklists are tools that may be used by entities and auditors to document conformity with U.S. generally accepted accounting principles (U.S. GAAP).
