Darryll Grantley has created a comprehensive guide to the interlude: the extant non-cycle drama in English from the late fourteenth century up to the period in which the London commercial theatre began. As precursors of seventeenth-century drama, not only do these interludes shed important light on the technical and literary development of Shakespearean theatre, but many are also works of considerable theatrical or cultural interest in themselves. This accessible reference guide provides an entry for each of the extant interludes and fragments (c.100) typically containing an account of early editions or manuscripts; authorship and sources; modern editions; plot summary and dramatis personae; list of social issues present in the plays; verbal and dramaturgical features; songs and music; allusions and place names; stage directions and comments on staging; and modern productions, among other valuable and informative details. There are full bibliographies, indexes of characters and songs, and appendices.

In this revised and expanded second edition, Spurrell provides detailed notes on the text of Genesis--helpful for both student and scholar. He keys his comments to the grammars of Gesenius, Davidson, Stade, and Olshausen, in addition to Driver's 'Hebrew Tenses' and Davidson's 'Hebrew Syntax'. Throughout the volume the author pays special attention to linguistic forms, syntax, grammar, and geography. Spurrell also provides a detailed introduction in which he summarizes the views of several scholars on the sources of the Pentateuch: their vocabulary, formulas, and grammar. But more than that, he provides a brief history of Pentateuchal research. A concluding appendix discusses the divine names El, Elohim, and Yahweh.

## **English Dramatic Interludes, 1300-1580**

Camino 3 offers students complete preparation for GCSE/Standard Grade through full coverage of all five Areas of Experience, Grades A\*-G. Mixed abilities are catered for in one carefully structured Student's Book by the use of symbols to indicate differentiated activities. Student motivation is encouraged through the use of material appropriate for the 14-16 year age group in both content and style. Full support for the teacher is provided through detailed notes, National Curriculum cross referencing, tapescripts and answers as well as general teaching advice. Student's Book and worksheet activities are supported by 7 cassettes of audio material.
