### **Beginning Biblical Hebrew**

After learning the Hebrew alphabet, it's time to learn Hebrew grammar, morphology and syntax. This book provides the basics to Hebrew grammar, word construction and syntax, or sentence structure. In addition, it examines each Hebrew word in the Ten Commandments and breaks down the roots, prefixes and suffixes of each word. This book will be a valuable tool for anyone interested in learning how to read the Hebrew Bible in its original language. Jeff A. Benner, founder of the Ancient Hebrew Research Center ([www.ancient-hebrew.org](http://www.ancient-hebrew.org)) and the Mechanical Translation of the Hebrew Bible Project ([www.mechanical-translation.org](http://www.mechanical-translation.org)), has authored many books on the subject of the Ancient Hebrew alphabet, language and culture and speaks around the country on this same subject. Mr. Benner's goal is to teach proper Biblical interpretation by providing others with the tools needed to read and understand the Bible from its original context.

### **A Guide to Biblical Hebrew Syntax**

After spending countless hours studying Hebrew vocabulary, paradigms, and grammar, students may wonder how they can begin to reap the rewards of their hard work. H. H. Hardy II presents 30 grammatical concepts and their exegetical

payoff to demonstrate the importance of learning Hebrew for interpreting the Old Testament. In the process, students will realize the practical value of what they have learned. This book is perfect for students looking to apply their Hebrew and for past students who wish to review the essentials of Hebrew grammar.

### **Biblical Hebrew Step by Step**

Biblical Hebrew Vocabulary by Conceptual Categories by J. David Pleins with Jonathan Homrighausen is an innovative study reference intended for both introductory and advanced students of the Hebrew language to help them understand and remember vocabulary based on logical categories of related words. Since our minds acquire and recall language by making associations between related words it is only natural that we would study language in this way. By organizing Hebrew vocabulary into logical categories, as opposed to frequency, students can quickly begin to familiarize themselves with entire groups of terms and more readily acquaint themselves with the ranges of meaning of particular Hebrew words. This reference tool focuses on nouns in the Old Testament, and includes over 175 word grouping categories including pottery, ships, birds, jewelry, seasons, and many more. For each Hebrew term a definition is given and a reference in the Hebrew Bible appears so readers can see the word in context. For many words additional lexical references are indicated where students can look for further study. Words that hapax legomena (words appearing only once in the

## Online Library A Guide To Biblical Hebrew Syntax

Hebrew Bible) are marked with an "H" and words that are rare and appear less than 10 times are marked with an "R." Two helpful appendices equip students for further study, these include 1) a Guide for Further Reading where recommendations are given for helpful resources for studying the larger macro categories and 2) Lists of "cluster verses" where several words in a given category appear together, giving students the ability to see how these words function together in context. Biblical Hebrew Vocabulary by Conceptual Categories is intended to move students beyond rote memorization to a more dynamic grasp of Hebrew vocabulary, ultimately equipping them to read with more fluidity and with a deeper and more intuitive grasp of the biblical text.

### **An Introduction to Biblical Hebrew Syntax**

A Hebrew vocabulary guide that gives the student everything he or she needs in order to master basic Hebrew vocabulary and to expand knowledge of biblical Hebrew.

### **Understanding the Hebrew Bible**

A unique grammar for intermediate or advanced students of Hebrew This grammar is intended for students of Hebrew who wish to learn more about the history of the

Hebrew language, specifically its phonology and morphology. Raymond focuses on aspects of Hebrew that will encourage a student to better remember the words and their inflection as well as those that will reinforce general principles of the language. Specific examples for memorization are outlined at the end of each chapter. The book also serves as a resource for students wishing to remind themselves of the relative frequency of certain phenomena. The book provides students with a full picture of the language's morphology. Features: Tables of nouns and adjectives illustrating the absolute and construct, singular and plural forms, as well as all the forms with suffixes Tables include forms not found in the Masoretic Text Additional tables that set similar verbal inflections side by side

### **A Guide to Biblical Hebrew**

Anyone interested in learning to read the Hebrew Bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey. The book is laid out in four parts. The first part teaches the Hebrew alphabet through a series of lessons. The second part teaches word and sentence structure of the Hebrew language by breaking down each Hebrew word in Genesis chapter one, verses one through five. The Hebrew text of Genesis chapter one is provided for reading and comprehension practices in part three. The fourth part of the book contains charts and dictionaries of prefixes, suffixes, words and roots of the Hebrew language to assist the reader with vocabulary definitions and

comprehension. Within a short amount of time the Hebrew student will soon be reading the Bible through the eyes of the author rather than the opinions of a translator. ABOUT THE AUTHOR Jeff Benner has had a long interest in the Hebrew language of the Bible and in 1996 he began researching the ancient pictographic alphabet used by the Hebrew people and other Semitic tribes. He has made many significant discoveries linking the ancient Hebrew culture with the ancient Hebrew language and alphabet. In 1999 Jeff founded the "Ancient Hebrew Research Center" to research and teach Biblical understanding through the alphabet and language to those with little or no Hebrew background. Jeff's current project is the Ancient Hebrew Lexicon of the Bible. This Lexicon defines Hebrew words of the Bible according to their cultural context revealing the original Hebraic meanings of Biblical passages and words.

### **Exegetical Gems from Biblical Hebrew**

Written to facilitate study in Kelley's widely-used Biblical Hebrew: An Introductory Grammar, this handbook provides a complete answer key to the exercises in the grammar as well as practical helps, footnotes, word lists, test suggestions, and other supplementary material--all written to free up valuable class time and to aid individuals studying Hebrew on their own.

### **Introducing Biblical Hebrew**

It's easy to teach yourself biblical Hebrew! Complete Biblical Hebrew: A Teach Yourself Guide provides you with a clear and comprehensive approach to biblical Hebrew, so you can progress quickly from the basics to understanding biblical Hebrew with confidence. Within each of the 24 thematic chapters, important language structures are introduced through life-like dialogues. You'll learn grammar in a gradual manner so you won't be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning. Features: One and five-minute introductions to key principles to get you started Lots of instant help with common problems and quick tips for success, based on the author's many years of experience Tests in the book and online to keep track of your progress Extra online articles at [www.teachyourself.com](http://www.teachyourself.com) to give you a richer understanding of the basics of the language

### **The Vocabulary Guide to Biblical Hebrew**

With this book, readers can learn Hebrew on their own and will find themselves reading meaningful verses from the Hebrew Bible after just two hours of study. The book provides the basics of a standard grammar but also includes insights into Hebrew narrative and poetry not usually found in introductory textbooks. Audio

files for the book are available through Baker Academic's Textbook eSources. Now in paper.

### **The Routledge Introductory Course in Biblical Hebrew**

This graded reader introduces the second-year Hebrew student to various types of biblical Hebrew literature and contains various notations to assist him or her in the further advancement of Hebrew translation and exegesis.

### **Complete Biblical Hebrew: A Teach Yourself Guide**

Based on easy to use, yet simple "mnemonics," these memory aids will help you quickly and easily master Biblical Hebrew Vocabulary. No rote memory work required! Troubling "sound-alike" words in Hebrew are covered in-depth and readers inductively learn how to keep words that sound alike in Hebrew distinct. Features include: "Master Study Plan," extensive chapter end notes, "Read Aloud" exercises, "Homophone Challenge" at the end of each chapter and "Expert Advice" from renowned Biblical Hebrew Professors. Covers over five hundred vocabulary words in Hebrew. This one-of-a-kind vocabulary guide is keyed to Page Kelley's, "Biblical Hebrew: An Introductory Grammar." It is easily adaptable to any standard Hebrew grammar or as a stand alone vocabulary guide and builder.

## Online Library A Guide To Biblical Hebrew Syntax

Includes a full Hebrew to English and English to Hebrew Indices. Large Hebrew print is used for easy reading.

### **Charts of Biblical Hebrew**

Biblical Hebrew Vocabulary in Context by Miles V. Van Pelt and Gary D. Pratico is a biblical Hebrew language resource designed to reinforce a student's basic vocabulary by reading words that occur fifty times or more in the context of the Hebrew Bible. All 642 of these Hebrew words have been collated into 195 key biblical verses and/or verse fragments to help students practice and retain their Hebrew vocabulary. In lieu of rote memorization, Biblical Hebrew Vocabulary in Context reinforces essential vocabulary by reading words in the context of the Hebrew Bible. The book includes two primary sections. The first section provides room for students to write their own glosses of the biblical verse and to parse as they feel necessary. An English translation is also provided and any term that appears less than fifty times is glossed. Proper names are identified with gray text. The second section of the book provides the same biblical verses from the first section but with minimal room to write glosses and parse and without an English translation for aid. The end of the book includes a Hebrew-English lexicon of all the words occurring fifty times or more in the Hebrew Bible.

## **A Student's Vocabulary for Biblical Hebrew and Aramaic**

This workbook can be used together with any elementary Biblical Hebrew grammar, by students at colleges, seminaries or universities. It applies many of the tools of modern language acquisition to make learning this classical language an active and inspiring process. Well-known Hebrew names are used as a pedagogical aid to memorising grammar and vocabulary. Original biblical texts are focused upon. The exercises are based on a stock of frequently used words which is gradually enlarged. The vocabulary and grammar learnt early on are regularly revised and reinforced in later exercises. The student is carefully guided through the exercises by means of boxed notes on key points. A key to the exercises is included. The translations provided follow the Hebrew text very closely. This workbook enables students to develop their understanding of the general systematic sound changes in Biblical Hebrew, progressively providing a stable foundation and deeper insight into the language.

### **INTRO TO HEBREW**

Although the morphology and lexicon of Hebrew are reasonably well understood, its syntax has long been a neglected area of study. Syntax, the relationship of words to one another, forms, together with morphology, the material of grammar.

## Online Library A Guide To Biblical Hebrew Syntax

Its relative importance varies according to the language considered. This is particularly true of word order, for when an inflected language loses its case endings, word order assumes many of the functions of the former cases. This outline by Professor Williams re-emphasizes the significance of word order in Hebrew. Developed over fifteen years in a formal course on Hebrew syntax at the University of Toronto, it treats the syntax of the noun, the verb, particles and clauses, with a selection of illustrative examples. Its contents are based on classical Hebrew prose, but some account is also taken of the deviations in later prose and poetry. In this new edition English translations have been provided for all Hebrew phrases and sentences, and the bibliography has been expanded.

### **How to Read the Bible**

It's easy to teach yourself biblical Hebrew! Complete Biblical Hebrew: A Teach Yourself Guide provides you with a clear and comprehensive approach to biblical Hebrew, so you can progress quickly from the basics to understanding biblical Hebrew with confidence. Within each of the 24 thematic chapters, important language structures are introduced through life-like dialogues. You'll learn grammar in a gradual manner so you won't be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning. Features: One and five-minute introductions to key principles to get you started Lots of instant help with common problems and quick tips for success, based on the author's many years of

experience Tests in the book and online to keep track of your progress Extra online articles at [www.teachyourself.com](http://www.teachyourself.com) to give you a richer understanding of the basics of the language

### **Graded Reader of Biblical Hebrew**

This volume shows how to master the essentials of Biblical Hebrew in clear, simple steps - starting right from scratch with the Hebrew alphabet on to how to read passages from the Bible itself. There are simple exercises (including answers), a word list, and examples throughout.

### **A Book-By-Book Guide to Bib Hebrew Vocab**

The Basics of Hebrew Discourse: A Guide to Working with Hebrew Prose and Poetry by Miles V. Van Pelt, Matthew H. Patton, and Frederic Clarke Putnam is a syntax resource for intermediate Hebrew students that introduces them to the principles and exegetical benefits of discourse analysis when applied to biblical Hebrew prose and poetry.

### **A Basic Introduction to Biblical Hebrew, with CD**

A Guide to Biblical Hebrew Syntax introduces and abridges the syntactical features of the original language of the Hebrew Bible/Old Testament. An intermediate-level reference grammar for Biblical Hebrew, it assumes an understanding of elementary phonology and morphology, and it defines and illustrates the fundamental syntactical features of Biblical Hebrew that most intermediate-level readers struggle to master. The volume divides Biblical Hebrew syntax and morphology, into four parts. The first three cover the individual words (nouns, verbs, and particles) with the goal of helping the reader move from morphological and syntactical observations to meaning and significance. The fourth section moves beyond phrase-level phenomena and considers the larger relationships of clauses and sentences. Since publication of the First Edition, research on Biblical Hebrew syntax has substantially evolved. This new edition incorporates these developments through detailed descriptions of grammatical phenomena from a linguistics approach. It retains the labels and terminology used in the First Edition to maintain continuity with the majority of entry-level and more advanced grammars.

### **The Vocabulary Guide to Biblical Hebrew and Aramaic**

Understanding the Hebrew Bible: A Guide for the Perplexed is written clearly and jargon-free and provides an orientation to the vast compendium of biblical materials by explaining the different kinds of writing found in the Bible, including

storytelling, law, history, prophecy, wisdom and poetry. Each section is informed by current biblical scholarship, but presented in a manner accessible to a general audience. Unlike other introductions that focus entirely on biblical history and its historical context, this book surveys the full range of biblical writing. A preface establishes a conceptual model for understanding the Bible, and explores the differences between the traditional Jewish and Christian readings of this Scripture. Readers will discover in this book a concise, useful companion to the Book of Books.

### **A Handbook to Biblical Hebrew**

A Student's Vocabulary for Biblical Hebrew and Aramaic, Updated Edition has been a standard resource for students of Hebrew and Aramaic for over 30 years, this new edition has updated formatting and transliterations. The book provides a complete vocabulary list of Hebrew and Aramaic words based on frequency."

### **Biblical Hebrew**

After years of classroom testing and development, this major new textbook is offered for learning biblical Hebrew. The author is one of today's foremost teachers of Hebrew.

### **Biblical Hebrew**

A unique grammar for intermediate or advanced students of Hebrew This grammar is intended for students of Hebrew who wish to learn more about the history of the Hebrew language, specifically its phonology and morphology. Reymond focuses on aspects of Hebrew that will encourage a student to better remember the words and their inflection as well as those that will reinforce general principles of the language. Specific examples for memorization are outlined at the end of each chapter. The book also serves as a resource for students wishing to remind themselves of the relative frequency of certain phenomena. The book provides students with a full picture of the language's morphology. Features: Tables of nouns and adjectives illustrating the absolute and construct, singular and plural forms, as well as all the forms with suffixes Tables include forms not found in the Masoretic Text Additional tables that set similar verbal inflections side by side

### **Basics of Hebrew Discourse**

The best of both deductive and inductive approaches introducing students to the basics of Biblical Hebrew.

### **Hebrew Bible Insert**

## Online Library A Guide To Biblical Hebrew Syntax

Features of Basics of Biblical Hebrew Grammar, Second Edition text: \* Combines the best of inductive and deductive approaches \* Uses actual examples from the Hebrew Old Testament rather than 'made-up' illustrations \* Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a simple, enjoyable, and effective learning process \* Colored text highlights particles added to nouns and verbs, allowing easy recognition of new forms \* Chapters Two (Hebrew Vowels), Nine (Pronominal Suffixes), Seventeen (Waw Consecutive), Eighteen (Imperative, Cohortative, and Jussive), and Twenty-Three (Issues of Sentence Syntax) are revised and expanded \* Section of appendices and study aids is clearly marked for fast reference \* Larger font and text size make reading easier \* Updated author website with additional Hebrew language resources and product information ([www.basicsofbiblicalhebrew.com](http://www.basicsofbiblicalhebrew.com)) Features of updated CD-ROM: \* Full answer key to the accompanying workbook (compatible with Windows and Macintosh) \* Scripture indexes to both the grammar and the workbook \* FlashWorks™, a fun and effective vocabulary-drilling program from Teknia Language Tools \* Links to additional resources accessible with internet connection

### **The Cambridge Biblical Hebrew Workbook**

The Routledge Introductory Course in Biblical Hebrew provides a comprehensive introduction to Biblical Hebrew language and texts. Combining a fresh and

## Online Library A Guide To Biblical Hebrew Syntax

innovative approach with an in-depth treatment of the language, it presents the essentials of biblical grammar and vocabulary in an engaging and systematic way. Unlike other Biblical Hebrew courses, it is structured around a series of vibrant and memorable stories, with each story reinforced by grammar explanations, supportive exercises, and a concluding genuine biblical text. This coherent focus encourages students to engage with the text actively and facilitate their mastery of the language to the full. Features include: Forty units covering all the topics expected in a first-year Biblical Hebrew course, including the Hebrew writing system, pointing rules, nouns and adjectives, parsing, mastery of strong and weak verb paradigms and full attention to syntax Clear and detailed grammar explanations supported by plentiful examples An extensive assortment of varied and stimulating exercises designed to reinforce new grammar and develop students' ability to use Biblical Hebrew actively Incorporation of a wide range of genuine biblical texts to familiarise students with the main biblical narrative cycles and to equip them with the ability to read authentic material from the earliest stages of learning A free companion website ([www.routledge.com/cw/kahn](http://www.routledge.com/cw/kahn)) offering a wealth of additional instructor and student resources, including many extra exercises and biblical texts, flashcards to test knowledge, a vocabulary guide listing words by part of speech, a full answer key, translations of all the stories and biblical texts, a sample syllabus, coursework assignments covering the entire contents of the course and audio recordings of the stories and biblical texts Coherent chapter organisation to consolidate and reinforce learning consistently at

## Online Library A Guide To Biblical Hebrew Syntax

each step of the course Grammar summary, two-way glossary and subject index presented at the back of the book for easy access A user-friendly text design with original illustrations and clear presentation of the Hebrew script Written by an experienced instructor and extensively trialled at UCL, The Routledge Introductory Course in Biblical Hebrew will be an essential resource for all students beginning to learn Biblical Hebrew.

### **Intermediate Biblical Hebrew Grammar**

The Vocabulary Guide to Biblical Hebrew and Aramaic by Gary D. Pratico and Miles V. Van Pelt is intended to accompany Basics of Biblical Hebrew Grammar. For the beginning student it is an essential resource companion to aid in vocabulary memorization and acquisition. Updates in this second edition include the addition of a complete Aramaic word list and refinement of definitions. Features include: Hebrew words occurring ten times or more in the Old Testament arranged by frequency Hebrew words arranged by common root All Aramaic words occurring in the Old Testament arranged by frequency Helpful appendices including lists of Hebrew homonyms, nominals, and verbs.

### **What Jesus Heard**

## **Complete Biblical Hebrew: A Teach Yourself Guide**

Advances in the Study of Biblical Hebrew and Aramaic by Benjamin J. Noonan examines issues of interest in the current world of Biblical Hebrew scholarship and their impact on understanding the Old Testament; it provides an accessible introduction for students, pastors, professors, and commentators to understand these important issues.

## **Intermediate Biblical Hebrew Grammar**

## **Learn Biblical Hebrew**

Charts of Biblical Hebrew provides students of biblical Hebrew with a unique study aid. This innovative language resource contains 130 of the most vital charts for instant access. Featuring two color design, Charts of Biblical Hebrew is cross-referenced to Pratico and Van Pelt's Basics of Biblical Hebrew and may be used with other first-year biblical Hebrew textbooks as well. The charts are also an ideal means of review for advanced students.

## **Graded Reader of Biblical Hebrew, Second Edition**

This second edition of the Graded Reader of Biblical Hebrew introduces second-year Hebrew students to various types of biblical Hebrew literature and contains notations to assist them in their studies. This vital resource helps students move beyond the basics and build competency in translating and exegeting the text of the Old Testament.

### **Learn to Read Biblical Hebrew**

A Book-by-Book Guide to Biblical Hebrew Vocabulary is intended to help students, pastors, and professors who wish to read a particular book of the Hebrew Bible in its original language to master the vocabulary that occurs most frequently in the book in question. In contrast to typical Hebrew and Greek vocabulary guides, which present vocabulary words based on their frequency in the Hebrew Bible or New Testament as a whole, this book presents vocabulary words based on their frequency in individual biblical books of the Hebrew Bible, thus allowing readers to understand and engage with the text of a particular book easily and quickly.

### **Learn Biblical Hebrew**

Students can flourish in their study of biblical Hebrew if they are trained from the outset to read and explain biblical texts effectively. In this introductory textbook,

Professor William Fullilove teaches language basics alongside exegetical skills typically reserved for more advanced courses. His unique methodology allows students to gain rapid insight into the value of their Hebrew study. Includes grammar, reading, and exegetical exercises.

### **Basics of Biblical Hebrew Grammar**

Inspires and instructs students and pastors to use the Hebrew Bible appropriately in their preaching and teaching. Includes sample sermons and lessons.

### **Biblical Hebrew Vocabulary in Context**

Meeting the need for a textbook for classroom use after first year Hebrew grammar, Waltke and O'Connor integrate the results of modern linguistic study of Hebrew and years of experience teaching the subject in this book. In addition to functioning as a teaching grammar, this work will also be widely used for reference and self-guided instruction in Hebrew beyond the first formal year. Extensive discussion and explanation of grammatical points help to sort out points blurred in introductory books. More than 3,500 Biblical Hebrew examples illustrate the points of grammar under discussion. Four indexes (Scripture, Authorities cited, Hebrew words, and Topics) provide ready access to the vast array of information found in

the 40 chapters. Destined to become a classic work, this long-awaited book fills a major gap among modern publications on Biblical Hebrew.

### **From Exegesis to Exposition**

"I have read this work with delight. The author's explanation of words in the Hebrew language is very helpful, and will be so to theological students and lecturers. The book contains concrete examples and word samples, indicating just how dynamic Biblical Hebrew has been. The spreadsheet format is wonderful. The Alphabet and Vowel charts offer an opportunity to beginners of the language to learn easily and quickly. The adjective and preposition chapters are all-important for this learning. The pronunciation column and notes of interest column are both unique assets in this writing. Actually, I have found great use for all twelve of the categories of this book. The history offered is not only important, but helpful as readers reach an understanding of how the language was developed and how it is different from the Hebrew spoken today. An excellent work. I strongly recommend this book to students of the Bible worldwide." The Right Reverend Ali Buba Lamido, Nigeria. Meet BC at [www.bccrothers.com](http://www.bccrothers.com)

### **Advances in the Study of Biblical Hebrew and Aramaic**

## Online Library A Guide To Biblical Hebrew Syntax

As soon as it appeared, *How to Read the Bible* was recognized as a masterwork, “awesome, thrilling” (The New York Times), “wonderfully interesting, extremely well presented” (The Washington Post), and “a tour de force a stunning narrative” (Publishers Weekly). Now in its tenth year of publication, the book remains the clearest, most inviting and readable guide to the Hebrew Bible around—and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James Kugel covers the Bible’s most significant stories—the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David’s mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries—until modern scholarship came along. The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel’s answer provides “a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition.”

## **Biblical Hebrew Vocabulary by Conceptual Categories**

This innovative textbook by two leading experts in Biblical Hebrew combines the best of traditional grammars, new insights into Hebrew linguistics, and a creative pedagogical approach. The material has been field tested and refined for more than a decade by the authors, who are actively engaged in Biblical Hebrew discussions and research. The book includes fifty brief grammar lessons with accompanying workbook-style exercises, appendixes providing more detailed explanations, and a full-color reader--bound at the back of the book for right-to-left reading--that incorporates comics, line drawings, and numerous exercises, all in Hebrew. This work offers a realistic approach to beginning Hebrew, helping students comprehend texts without overloading them with too much information, and it can be adapted to either one-semester or full-year courses. An accompanying website through Baker Academic's Textbook eSources offers helpful resources for students and professors. Resources for students include flash cards and audio files. Resources for professors include sample quizzes, sample exams, sample lesson plans, vocabulary cards, and a full-color printed instructor's manual.

## **Williams Hebrew Syntax (3rd Edition)**

Students of biblical Greek and Hebrew may not know everything they need to

know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

### **Biblical Hebrew for Beginners**

Linguistics expert and long-time educator Hackett offers a robust introduction to biblical Hebrew grammar and the Masoretic text. All exercises from Hebrew to English are taken from the Old Testament: those in earlier lessons with slight modification suitable to the experience of the student; those exercises found in the later lessons are taken from the Masoretic text of the Old Testament without modification, but with footnotes to explain unusual or advanced formations. Classroom tested and suitable for self-study as well, this quick-moving one-semester course (30 lessons) features clear, readable explanations, exercises, and examples that provide students with an effective foundation in original language

## Online Library A Guide To Biblical Hebrew Syntax

usage. This text-book is also suitable for an entire first-year's study of Biblical Hebrew conducted at a slower pace. Course work includes an overview of the history of the Hebrew Bible; deductive lessons on recognition, drawing, and pronunciation of consonants and vowels; memorization and recitation of the alphabet; and proper spelling of words; as well inductive experience in translating biblical passages. Excellent textbook for students who wish to progress beyond using simple reference works and ideal for those who wish to read the Hebrew Bible deeply, widely, and accurately, as well as for any who wish to pursue advanced studies in the Hebrew Scriptures.
