highlights the importance of repetition, establishing a clear means of communication between you and your horse, and understanding how the horse's brain works, from the right side to the left side. There are also areas of special mention: orphan foals and keeping entires. The second chapter runs through training your horse from 0-6 months. Maxwell encourages you to develop your foal's brain from the very beginning. From imprinting and halter training to leading and weaning, this section covers all of the basic techniques for training your foal at this influential time. The third part of the book looks at preparing your horse for a working life at 6 months-3 years. Maxwell teaches you further halter techniques, tying up, desensitization, techniques for avoiding the challenging year when the horse turns two, tips on preparing for the farrier, bathing, clipping, injections and preparing for loading with a comprehensive step-by-step guide to loading. He also covers preparing for a bridle and circling work. Part 4, Backing and Riding On, focuses on horses aged 3 years+. The chapter explains how to: introduce the first saddle, the first bridle, to teach your young horse to accept the bit, to introduce long-lining, to introduce a rider using a dummy, to back your youngster, and to desensitize on the move. Maxwell goes on to show a day-by-day guide to riding from day one, concluding with an interesting selection of real-life case studies that demonstrate the effectiveness of Maxwell's methods for molding a young horse into a safe, rewarding ride. With valuable checklists, step-by-step instructions, and useful question and answer sections at the end of each chapter, Richard Maxwell really does provide all the essential

information you will need to effectively train your young horse.

Dove Glitch is embarrassed about everything above her knees and below her belly button. When she has to fill a delicate, embarrassing prescription the last thing she needs is a sexy-as-hell (and brand spanking new) pharmacist behind the counter. Johnson Fitzwell's first day of his dream career also happens to coincide with the exact moment Dove needs her feminine meds filled. His glorious voice is way too loud-as in, he should be counting down the hits with Ryan Seacrest kind of loud. Thanks to Johnson's handsome face and gorgeous jaw line, Dove dives headlong into her waking nightmare and asks for a vagina-scented cream. How could she not fall for him? Dove's only active goal now is to get Johnson to kiss her right on the lips. Either set. However, his horrible girlfriend is one of many obstacles preventing her from making that fantasy a reality. When Dove defends Johnson in the most unhygienic, unconventionally gross way in the middle of a crowded restaurant, their tender, slightly tantric relationship is off to a galloping, farting start. Fourteen years after fleeing Kenya with her baby daughter, Corinne returned in the summer of 2004 to meet Lketinga and his family again in their village, Barsaloi. Nervous as she was, and uncertain as to how he would react on seeing her again, she found to her relief that she was welcomed unreservedly by all those who remembered her - by Lketinga, who still thought of her as his 'wife number one', by his brother, James, now a schoolteacher and especially by

Lketinga's mother, who had looked after Corinne with such care all those years before. Corinne Hofmann revisits an area of a country which she cares about passionately, describing in her immensely readable style the changes she saw after her time away, and once again bringing to life the atmosphere and characters in the Masai village.

Hambledown Dream

The much anticipated autobiography of one of cricket's greatest fast bowlers. Brett Lee is known throughout the cricketing world as one of the fastest and most exciting pace bowlers to play the game. Intimidating while charming, decent yet ferocious, he is known for his quick-one liners as much as his gutsy bottom-order batting. He has been recorded bowling at speeds of over 160km/h leaving batsmen with only a fraction of a second to react once the ball leaves his hand. Brett was born and raised in Wollongong, New South Wales where he grew up with his family and their shared love of sports. Brett tried his hand at many sports but cricket proved to be the one that he excelled in. He had his first official game of cricket at the age of nine. He quickly developed into a very talented player and progressed through the cricket ranks to be in a position where he gained selection for his state at the age of 21 and his country at 24. Brett made his debut for Australia in the Boxing Day Test against India 1999. He finished his first match for his country with figures of 5/47. He has now picked up 310 wickets from 76 Tests, joining the elite 300 Test

wicket club before retiring from Test cricket earlier this year to concentrate on the shorter forms of the game. He also has a formidable limited-overs record - with 324 wickets from 186 ODIs. Brett has one of the best strike-rates in the world for this form of the game. His pace bowling combined with his ability as a hard hitting and determined tail end batsman make him a crowd favourite throughout Australia and the world. Brett was awarded Man of the Series for the 2007/2008 Test series against India and the 2007 Alan McGilvray Medal by ABC radio. Then in February he 2008 won the 2008 Test Player of the Year and the prestigious Allan Border Medal 2008 for cricketer of the year. Brett is an enthusiastic and motivated sportsman who is grateful for all of the opportunities that have come his way. He remains a grounded person who is generous with his time in and out of cricket.

James Clyde and the Diamonds of Orchestra

Brett Lee is one of cricket's most prolific personalities. Recipient of the prestigious Allan Border Medal and a former Test Player of the Year—the blond speedster has amassed over 300 test wickets, and continues to add more feathers to his cap. Tearing in at over 160 kilometres an hour, 'Binga' has dented many a helmet and inspired fear in the best batsmen. My Life is his story—honest, engaging, and laced with charming wit. The book takes you inside the dressing room and sheds light on the highs and lows of the game—the pride of possessing a baggy green, the camaraderie between the boys, superstardom, and the inevitable controversies. It provides a glimpse into the life of one of Australia's most successful fast bowlers and his love for music, fashion, and above all India.
