The second edition of Financial Reporting has been updated for recent developments in the Australian Accounting Standards, including the release of new standards on accounting for revenue and leases and updates to AASB 9 Financial Instruments. All incorporated updates are in line with developments in the International Financial Reporting Standards (IFRSs). The new edition has been written in accordance with the requirements of the relevant pronouncement(s) in the IFRS Red Book 2016 published by the IASB, which includes the most recent version of each Accounting Standard and Interpretation at 13 January 2016. A hallmark feature of the text is that it provides both a conceptual understanding and a practical application of the accounting standards. For students, an understanding of the conceptual basis of accounting and the rationale behind the principles is crucial to the consistent application of standards in a variety of practical contexts.

In his business memoir, *When My Boss Calls*, Get the Name, Howard Berk shares the excitement of surviving and thriving in a corporate world transformed by takeovers, leveraged buyouts, mergers, and acquisitions. With warmth and insight, he depicts the differing styles of the high-profile executives he reported to as they went through the constantly revolving door of management, and he reflects on what he learned from them. Follow the author's evolving career in the broadcasting industry, from the early days of radio to cable television and new media. See "the vice president in charge of everything" become a key participant in the 1973 modernization of Yankee Stadium, which kept the franchise in New York. Watch him help develop licensing and merchandising for the highly competitive and volatile business end of sports and entertainment. At the same time, enjoy his humorous anecdotes about the famous and glamorous figures he met along the way, including Thomas Mitchell, Samuel Goldwyn, Jack Benny, Mickey Mantle, Jackie Gleason, and a host of Miss Americas.
