Journey To Enlightenment

This book provides compelling new readings of William Blake's poetry and art, including the first sustained account of his visionary paintings of Pitt and Nelson. It focuses on the recurrent motif of apotheosis, both as a figure of political authority to be demystified but also as an image of utopian possibility. It reevaluates Blake's relationship to Enlightenment thought, myth, religion, and politics, from The French Revolution to Jerusalem and The Laocoön. The book combines careful attention to cultural and historical contexts with close readings of the texts and designs, providing an innovative account of Blake's creative transformations of Enlightenment, classical, and Christian thought.

Little Boy Lost

Little Boy Lost, Book Two Jamie is gone. Brian's secret has been revealed. Brian McAllister's story continues as he tries to cope with the loss of his best friend and soul mate amid the alienation and ridicule of his classmates. When hatred turns to violence, Brian narrows his focus to two goals: surviving and finding Jamie. Along the way he meets Adam, whose life has also been shattered by violence and cruelty. Can Adam fill the hole in Brian's life left by Jamie's absence? The answer will change everything.

Little Boy Lost: Enlightened

Intended as an introduction and initiation to a worldwide fascination, this experiential tool draws its conclusions from the careful scrutiny of thousands of digital photographs containing orbs—visible proof of the presence of angels in the form of ghostly spheres. The book answers technical questions and offers practical guidance, such as who the orbs are, what purpose they serve, and how they can help. The dozens of full-color photos included within allow the orbs to enlighten and transform lives with their specific energies as well as provide tools for confidence, love, empowerment, hope, and spiritual expansion. Seekers will find the orbs especially enlightening, whether they are looking to make simple connections to angels and other spirit guides or ultimately to accelerate their own spiritual ascension.

One of Ours

Claude has an intuitive faith in something splendid and feels at odds with his contemporaries. The war offers him the opportunity to forget his farm and his marriage of compromise; he enlists and discovers that he has lacked. But while war demands altruism, its essence is destructive

The Yogin and the Madman

Littell's Living Age

"2nd Edition" "Little Boy Lost: Book One" Little Boy Lost is the story of Brian McAllister, the boy next door. Brian goes to school, does his homework, and helps his foster parents around the house. Brian also has a secret: he is in love with his best friend, Jamie. But in Crayford, Alabama, being in love with another boy is the worst kind of sin. Brian and Jamie will discover just how deep their emotional bond runs, and at what cost. What will they do if their secret is discovered? From fumbling through their first sexual experiences to hiding all aspects of their relationship from everyone in their lives, Brian and Jamie battle for the one thing that is truly theirs—love. A Dictionary of the English Language

Mid-Century Gothic offers a fresh perspective on the cultural moment that followed World War II, and discovers a deep sense of unease mingling with optimism about the future. By reassessing the novels, films, visual culture and technologies of the period, the book argues that gothicism itself was redefined by the upstart objects of modernity.

The Epworth Herald

Michael D. Baggetta offers in his book Journey To Enlightenment in simple language a guide to help the reader find true happiness by becoming one with their true purpose in life. Also he teaches that we are more than our thoughts and that we are not just our mind but a higher consciousness. This book is a inspiration story to help thousands of people to open their minds to the truths and live up to their greatest potential by discovering who they really are. Journey To Enlightenment is an easy reading book so that the common person can sit back and enjoy the turbulent life story of the author and follow how he pursues and reaches spiritual enlightenment against all odds. Hopefully after reading this book you will find your own path to true happiness and never give up because there always is an alternative to your life situation.

Enlightenment Through Orbs

A fascinating account of the daily life and spirituality of early Methodists by a prize-winning gender historian.

A History of Jewish Literature: Hasidism and enlightenment (1780-1820)

Exorbitant Enlightenment compels us to see eighteenth- and early nineteenth-century literature and culture in new ways. This book reveals a constellation of groundbreaking pre-1790s Anglo-German relations, many of which are so radical so exorbitant that they ask us to fundamentally rethink the ways we grasp literary and intellectual history, especially when it comes to Enlightenment and Romanticism. Regier presents two of the great, untold stories of the eighteenth century. The first story uncovers a forgotten Anglo-German network of thought and writing in Britain between 1700 and 1790. From this Anglo-German context emerges the second story: about a group of idiosyncratic figures and institutions, including the Moravians in 1750s London, Henry Fuseli, and Johann Caspar Lavater, as well as the two most exorbitant figures, William Blake and Johann Georg Hamann. The book's eight chapters show how these authors and institutions shake up common understandings of British literary and European intellectual history and offer a very different, much more counter-intuitive

view of the period. Through their distinctive conceptions of language, Blake and Hamann articulate in different yet deeply related ways a radical critique of instrumental thought and institutional religion. They also argue for the irreducible relation between language and the sexual body. In each case, they push against some of the most central cultural and philosophical assumptions, then and now. The book argues that, when taken seriously, these exorbitant figures allow us to uncover and revise some of our own critical orthodoxies.

Zen and the Bible

Tibetan biographers began writing Jetsun Milarepa's (1052–1135) life story shortly after his death, initiating a literary tradition that turned the poet and saint into a model of virtuosic Buddhist practice throughout the Himalayan world. Andrew Quintman traces this history and its innovations in narrative and aesthetic representation across four centuries, culminating in a detailed analysis of the genre's most famous example, composed in 1488 by Tsangnyön Heruka, or the "Madman of Western Tibet." Quintman imagines these works as a kind of physical body supplanting the yogin's corporeal relics.

The Educational Times, and Journal of the College of Preceptors

Brought up within a Zen Buddhist tradition and later becoming a Jesuit priest and professor of philosophy, Kakichi Kadowaki's spiritual path bridges the gap between Eastern and Western approaches to religion. In *Zen and the Bible* he offers an enlightening personal analysis of some central aspects of Christianity, based on his experience of Ignatian spirituality and on the ways of Zen monastic life. Western Christian readers interested in Eastern philosophy will find their own faith refreshed and strengthened from the insights and illuminations in this classic book, now back in print with a new Introduction by William A. Johnston.

The Education of the Enlightened Despots

The Oxford University Studies in the Enlightenment series, previously known as SVEC (Studies on Voltaire and the Eighteenth Century), has published over 500 peer-reviewed scholarly volumes since 1955 as part of the Voltaire Foundation at the University of Oxford. International in focus, Oxford University Studies in the Enlightenment volumes cover wide-ranging aspects of the eighteenth century and the Enlightenment, from gender studies to political theory, and from economics to visual arts and music, and are published in English or French.
