### **Death of a Paladin**

### **Giant Earthmovers : An Illustrated History**

From Guy Saville, the explosive new thriller of a world that so nearly existed Africa, 1952. More than a decade has passed since Britain's humiliation at Dunkirk brought an end to the war and the beginning of an uneasy peace with Hitler. The swastika flies from the Sahara to the Indian Ocean. Britain and a victorious Nazi Germany have divided the continent. The SS has crushed the native populations and forced them into labor. Gleaming autobahns bisect the jungle, jet fighters patrol the skies. For almost a decade an uneasy peace has ensued. Now, however, the plans of Walter Hochburg, messianic racist and architect of Nazi Africa, threaten Britain's ailing colonies. Sent to curb his ambitions is Burton Cole: a one-time assassin torn between the woman he loves and settling an old score with Hochburg. If he fails unimaginable horrors will be unleashed on the continent. No one - black or white - will be spared. But when his mission turns to disaster, Burton must flee for his life. It is a flight that will take him from the unholy ground of Kongo to SS slave camps to war-torn Angola - and finally a conspiracy that leads to the dark heart of The Afrika Reich itself.

CGHThoughts is a compelling book of quotes and verses from Carvin Haggins. This book breaks down relationships, effects on music on our youth and more. Carvin

opens the book by stating, "GOD has a way of equipping you with the right thing to say if you're tuned in to HIS frequency. I pray this book will encourage, inspire, and motivate greatness. There's a greater you inside of you, just tune in."

## **Essential Dialogues of Plato**

The popularity of The Seven Deadly Sins dates back to the 4th Century. They enjoyed tremendous notoriety during the period we call the Middle Ages. While the popular assortment of sins is not directly from scripture, they have been the subject of many a sermon, lecture, writing and art. In his book The Seven Deadly Sins: And Why We Love Them, Steinbacher examines each in detail. He gives examples of how they effect us and how we conduct ourselves in this world. Included in this book is Steinbacher's essay, An Angel In My Garden.

## **The Timber Producer**

Illiana and Marym Porsia have been hunted all their lives. On the run from a malevolent cultic order known as the Arcani, the sisters stay hidden in a traveling merchant caravan never remaining in one place for very long. Hope of secrecy disappears, however, once Thessyls is invaded by creatures out of legend, led by invincible demons known as the Nightmare. Caught amidst warring armies, they must find a way to survive even as they are hunted by old enemies. As empires crumble and faith falters a glimmer of hope is sparked when Illiana inexplicably fights off and defeats one of the demon Nightmare. That hope comes with a cost, for the darkness that was the Nightmare clings to Illiana, threatening to consume her. Drawn into a world of enigmatic secret societies and powerful nations that seek to use Illiana as a weapon against Vaelceri, they must grapple not only with a world intent on exploiting them, but with their own mysterious past. In the end, it may be those they have placed their faith in who are the most dangerous threat of all. This is the first book in the epic fantasy series, Sorrow's Rest.

## **Too Much Free Speech?**

"This colossal reference book documents the timeless urge to reshape the world, and the machines used to do so from the 1088's to today. From utility tractors and loaders up to the largest diggers and bulldozers, every piece of heavy equipment is listed here by model and manufacturer, making this the most exhaustive book on the world's most hard-working vehicles and machines"--Publisher's description.

## **101 Facts Steve Jobs: 101 Facts about Steve Jobs You Probably**

## **Never Knew**

A comprehensive review of earthmoving and construction equipment from the birth of primitive industrial tools to today's awe-inspiring machines! The biggest haulers, dozers, scrapers and unusual specialty equipment in the field are presented here in over 500 black-and-white photographs. The author's expertly written text details machine categories and discusses the history, evolution, design and manufacture of these industry giants. Packed full of top-quality archival photographs, most taken from manufacturer archives.

## **The Honeymooner**

Thirteen of Plato's most well-known dialogues are included in the collection "Essential Dialogues of Plato." Plato was a learned student of the early philosopher Socrates. Because Socrates did not write any works before his untimely death, Plato took Socrates' beliefs and expressed them through imagined dialogues between the philosopher and his students. It was the first time in Western history that a philosophical dialectic between the teacher and student was developed. In the dialogues, Socrates and a student discuss multiple aspects of life through a similar structure. The student, in his ignorance, makes a wide, generalized statement, and Socrates then questions their thought processes. While Socrates was not trying to push his students into thinking a certain way, he wanted his students to discover their own truths through rational thinking and questioning the world. Plato showed this poignantly in his dialogues, which preserved his teacher's legacy while solidifying Plato himself as one of the most unique literary minds in early Western civilization. Plato not only fleshes out the characters and creates narrative story arcs in his dialogues, but he even injects humor and wit into his works. Some of the works included in this text are "Ion," "Gorgias," "Phaedrus," "Crito," and "Laws." "Essential Dialogues of Plato" is a must-read for any serious student of philosophy as well as those with an interest in Western values and beliefs.

In Too Much Free Speech?, Randall P. Bezanson takes up an essential and timely inquiry into the Constitutional limits of the Supreme Court's power to create,

interpret, and enforce one of the essential rights of American citizens. Analyzing contemporary Supreme Court decisions from the past fifteen years, Bezanson argues that judicial interpretations have fundamentally and drastically expanded the meaning and understanding of "speech." Bezanson focuses on judgments such as the much-discussed Citizens United case, which granted the full measure of constitutional protection to speech by corporations, and the Doe vs. Reed case in Washington state, which recognized the signing of petitions and voting in elections as acts of free speech. In each case study, he questions whether the meaning of speech has been expanded too far and critically assesses the Supreme Court's methodology in reaching and explaining its expansive conclusions. Bezanson's measured approach and deep insights reveal the complexities of speech in the realms of human behavior and constitutional law. His wide-ranging analysis of relevant Supreme Court cases arms readers with the facts and perspectives necessary to reach independent conclusions about whether the Court's conduct befitted the independent judicial branch and to understand the consequences of its decisions for a representative democracy.

From bestselling author Melanie Summers comes the wickedly funny, ridiculously romantic spinoff of her highly-acclaimed Crown Jewels Series

## **American Recycler October 2008**

The National Wildfire Coordinating Group provides national leadership to enable interoperable wildland fire operations among federal, state, local, tribal, and territorial partners. Primary objectives include: Establish national interagency wildland fire operations standards; Recognize that the decision to adopt standards is made independently by the NWCG members and communicated through their respective directives systems; Establish wildland fire position standards, qualifications requirements, and performance support capabilities (e.g. training courses, job aids) that enable implementation of NWCG standards; Support the National Cohesive Wildland Fire Management Strategy goals: to restore and maintain resilient landscapes; create fire adapted communities; and respond to wildfires safely and effectively; Establish information technology (IT) capability requirements for wildland fire; and Ensure that all NWCG activities contribute to safe, effective, and coordinated national interagency wildland fire operations. The "NWCG Standards for Interagency Incident Business Management" assists participating agencies of the NWCG to constructively work together to provide effective execution of each agency's incident business management program by establishing procedures for: - Uniform application of regulations on the use of human resources, including classification, payroll, commissary, injury compensation, and travel. - Acquisition of necessary equipment and supplies from appropriate sources in accordance with applicable procurement regulations. - Management and tracking of government property. - Financial coordination with the jurisdictional agency and maintenance of finance, property, procurement, and personnel records, and forms. - Use and coordination of incident business management functions as they relate to sharing of resources among federal, state, and local agencies, including the military. - Documentation and reporting of claims. - Documentation of costs and cost management practices. - Administrative

processes for all-hazards incidents.
