## Is God Real Or What?

In this provocative book, pastor John Avant encourages readers to uphold a consistent practice of what they believe, not just a verbalization of what they believe. If Christians truly believe in God, they should live genuinely changed lives as the ultimate proof that He is real. Many Christians live their lives as if they do not believe in God. They go to church and praise His name on Sundays, but in their daily lives they don't think about the Lord that often. They don't show much concern or charity for others. They don't feel gratitude to the Lord for His blessings. They don't allow God's love to be reflected in their actions—giving Christianity a bad name in the process. In their practical, day-to-day lives, many Christians are almost living as though they are atheists. Pastor Avant witnesses many Christians not living up to their claims, and he asserts that there is not much Christ left in that form of Christianity. In *If God Were Real*, he challenges Christians to consider whether or not they believe in God. If they do, Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God. He advocates for the pursuit of a new Jesus movement that resembles Christ's original followers—followers who were so steadfastly devoted to Him that their every action reflected His glory. With *If God Were Real*, readers will embark on an adventure of discovery of the real God and a life lived in praise of Him.

### **The Real God**

How does a visit to heaven change your life? Todd and Sonja Burpo's almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most stressed-out days of their lives. Times were tough, money was scarce, and the bills, frustrations, and fears were piled high. How did Colton's visit to heaven change things for them individually and as a family? And what does any of this mean for you and your life? Todd, and for the first time ever Sonja and Colton, from their perspectives, share what has happened since the release of their New York Times bestseller, *Heaven Is for Real*. Through their own experiences, and after hearing from thousands of the more than eight million readers who have shared how the story has affected them, they show you how believing heaven is for real will help you survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. Todd, Sonja, and Colton answer questions such as: · Is it really okay to struggle with and question God? Really? · What hope is there for me if I've lost a child or a loved one to death? Will I ever see them again? · What does heaven feel like? · Can I know for sure that I'm going to heaven? · Does God really hear me when I pray? They also explain how their story can help you keep thoughts of eternity in mind in the midst of your own overly busy, stressed-out lives. Heaven truly is for real, and believing it changes everything!

### **There's Power Inside of a Woman**

Follow bestselling author, speaker, and pastor James MacDonald as he delivers the biblical hope of God's promises in the midst of life's storms. 2 Peter 1:3 refers to certain portions of God's Word as exceedingly great and precious promises. Great promises are ones that don't fall apart during difficult times; they reveal hope in the midst of the storm. Precious promises are ones that we find strong enough to hold us up and resilient enough to get us through. God's promises become exceedingly great and precious to us when nothing else will do. By way of digging into the theology of God's Promises, Pastor James uncovers 5 major categories of promise in the Bible and the 5 areas about which God repeatedly makes promises. From what to do with fear and doubt to God's goodness, help, and victory—the Bible has much to say about God's presence in our difficulty. Last year, Pastor James released *When Life is Hard* to point you toward hope in the midst of trials. Now, *Always True* will point you to God's promises, which are always true.

### **God Can Turn It Around For You**

There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters?all the more reason to rely on the guidance of a Father who has gone before. But in an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. Fathered by God maps out the path of manhood?not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you.

### **What God Thinks When We Fail**

Could it be that we have lost touch with some basic human realities in our day of high-tech efficiency, frenetic competition, and ceaseless consumption? Have we turned from the moral, the spiritual, and even the physical realities that make our lives meaningful? These are metaphysical questions--questions about the nature of reality--but they are not abstract questions. These are very down to earth questions that concern power and the collective frameworks of belief and action governing our daily lives. This book is an introduction to the history, theory, and

application of Christian metaphysics. Yet this book is not just an introduction, it is also a passionately argued call for a profound change in the contemporary Christian mind. Paul Tyson argues that as Western culture's Christian Platonist understanding of reality was replaced by modern pragmatic realism, we turned not just from one outlook on reality to another, but away from reality itself. This book seeks to show that if we can recover this ancient Christian outlook on reality, reframed for our day, then we will be able to recover a way of life that is in harmony with human and divine truth.

### **God Is Real: Experience His Presence**

Throwing Away God is a God-inspired unconventional five-chapter book that uses the writings of the bible to alert the reader to five false premises taught within today's denominational church system. It exposes them as theological dogma and frees the spiritual essence of the Bible's teachings. Premises are unmasked that impede the very path to the goal Christians claim to be seeking. And that goal is to be one with the Father himself, even as Jesus was one. It uncovers by the writings of the King James Version of the Bible in a systematic way these premises and their dangers and seeks to prove the way of faith and hearing from God for oneself is and has always been God's perfect plan. The book exposes these falsehoods and exhorts the reader to question things he has been taught by humans and instead seek God's revelation directly. It exhorts the reader not to be a conformist but rather to uncover the simplicity of God's church and knowing Him. It brings one back to the very foundation of the New Testament Church. The foundation that is hearing directly from the Father himself by seeking our hope in knowing God through Christ in us, our hope of God's presence. It points to Christ, the anointing of the Spirit of God as the true teacher of all truth rather than a man or a book. It is a book for the world of religion for the 21st century! Throwing Away God addresses and benefits three groups of people. Firstly, it will benefit new Christians who have been born again. The book points out the dangers of placing one's faith back in doctrines of men. They will be exhorted to continue with their first love rather than allow themselves to be put under the bondage of organized denominations and their man-made ordinances and doctrines. Secondly, it will benefit the long-term Christian who has been bombarded with premises accepted by men through ignorance. Christians that have made themselves subject to men who have left their first love. Men who neither enter into the kingdom of God themselves nor suffer others that are entering to go in. Christians who have been caught up in the organized denominational system and got on the path of doctrines and ordinances and works through their own understanding and trust in men. Long-term Christians who know there is something more but have forgotten what the true church and a personal relationship with God is all about. Thirdly, it will benefit those who have never had a personal relationship with God because of their exposure to the church system and its unacceptable dogma and hypocrisy. For them it will be enlightening and create hope and provoke faith to touch God for themselves.

Inside the covers of this book you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: "It isn't in the canon" (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language!

### **The Real Deal**

Then I looked him in the eyes and said. "Remember this Tommy. There is always something. If you can't find it just know there is no such thing as bad luck or accident. All is God's will. There is always something. Ask God. Know always, God helps." Yes, I know the answer to Tommy's question. I accepted it initially without doubt. God's heavenly spirit flows out into us all, with the truth. The Mystical experience will lead to the making of a new generation of Great Grandmasters. They will be Christ bearers, to the world in the future. Tommy must carry on. It was so ironic that Tommy's father had been a top-notch policeman. Then Tommy had to watch his mother being killed by a policeman. What meaning, psychic or otherwise could I get from it? I guess the answer to that might lie in the fact that God is concerned about making our souls perfect. Tommy would need to gain the faith to make his limitations become possibilities and turn his fears into unconditional love. Years ago, I was training Tommy's father, in martial arts and he asked me to ride with him from midnight till 8 AM. He was the only sheriff's deputy in the county, of 500 square miles, on the road. It was not like today when you don't pull up on a

dangerous situation without backup. Bar fights, domestics, robberies, and what ever, you responded to alone. The tactics that Tommys father used, would get him fired today. We got a call that a boy had a gun and was shooting up a small town that had no police protection. Tommys father turned on his flashers and started to respond to the call. I could tell by the way he was driving that he was using his intuitive talents. All at once he hit the brakes, and pulled the car to the side of the road. He said. "You drive." I was not a sheriffs deputy and did not have any right to drive that vehicle. Tommys father wouldve been fired if the Sheriff found out. I drove, and he meditated. I knew Tommys father was heading for trouble not just by disobeying the rules, but also if anything went wrong, no one would believe his story. Tommys father would never be able to explain that he was using his sixth sense to link with the higher realms of perception, and God Almighty. He must have read my mind. He said to me. "I have to try to save that boys life! I am receiving an energy that is higher in vibration and totally spiritual. God Almighty has a reason for that boy to live." He picked up my coat that was laying in the back seat and put it on, covering his uniform. The boy was last seen on Main Street in the downtown area. Tommys dad directed me to turn and drive towards the school. As I did it came over the radio. Someone shot back at the kid, from an upstairs window. The kid ran towards the school. As we got close to the school Tommys father jumped out of the cruiser and ran towards the playground area. I followed on foot. I know that most people will not believe what Im about to say. Before the end of the story youll understand how this happened, because Tommy is so much like his dad, in reaching into the depths of the unknown. The boy pointed the gun at Tommys father. Tommys father said. "Im on your side. I come to fight the evil." The boy raised the gun pointing it. He fired over Tommys fathers left shoulder. Tommys father was walking towards the kid and did not stop. He said in a loving voice. "You got it! Put the gun down, your safe." Tommys father was staring into the eyes of the kid as he continued to walk towards him. The boy handed the gun to him. Tommys father placed his hand on the kids shoulder. I could see the healing energy of Ki or Spirit transfer to the young boy. We walked back to the cruiser, and the boy said, crying. "I dont know what happened. All I

A man walked up to me and said, 'I do not believe in God, and because of that I don't believe in the Bible.' I tried to show him the wonderful world as proof of God's existence, but he said it all happened through nature. After all my failed attempts, I told him my story. Is God Real or What? is Reverend Curtis Peart's true story highlighting the realness of the living God, in all of life's circumstances—big or small. We often fail to give a true testimony of our great Creator. Man tries to disprove God's existence all the time and have successfully removed prayer from our school system and workplaces, while those of us who claim we know the Lord personally say nothing about it. This was the reason Jesus came to this world. He performed miracles to prove He was God's Son. To His followers after He went back to heaven, and even to us He said these signs shall follow them who believe. For those who are searching for proof, this is the book you need to answer that question. And when you do, you will have no choice but to fall on your knees and say, 'If all this you say is true, I need to know this God.'

### **When God Becomes Real**

What does God think of us when we fail? Does he think You're a loser. There's no hope for you. What a wimp! You're good for nothing! Or does he think something very different? If you've ever lost a job or a relationship, let your friends down, seen your finances collapse, found your ministry crumbling or failed to meet your own ethical standards, you might wonder if recovery is possible. Perhaps you've wondered if you can ever repair the damage done to others, to yourself and to your relationship with God. Steve Roy has good news for you. He had to face his own failures, but his failures also drove him deep into what God thinks about us and success, especially in Christian ministry. He searched deeply in Scripture and listened carefully to the stories of others. He found that God's view of success is very different from ours. And that a biblically grounded view of success and failure challenges our preconceived notions but leads to hopeful renewal that goes beyond what we often ask or think.

Many books are out there that touched nations with powerful impact, with biblical divine insight and with progressive encouragement to all that dare to read and believe. Those books spurs many people to take positive actions about their lives. Kudos to you all the great authors that made it possible for the needy people to receive help through self-help books which is the best help. Apostle, Dr. Joseph O. Ajao's intention in this book is to bring the testimonies of the real people that faced real problems but stood their grounds and received breakthrough to you. Why? Because the problems did not break them but built them up successfully. The Apostle, Dr. Joseph Olutunde Ajao has done it again as he did in his former book that he wrote many years ago "The New Fulfi lled The Old. The proven evidence that Jesus Christ fulfi lled the Scriptures. In his book, God can turn it around for you. With God all things will be possible. He proved once again that miracles have not ceased as many people believed now that miracles have stopped happening (See: John 4:48; Mark 2:12; Luke 1:37; Jeremiah 32:27; Jeremiah 33:3; Jeremiah 1:12; Psalm 50:15; Mark 11:22-25). He theologically, biblically and inspirationally proved his point beyond every reasonable doubt that God can perform His miracles in your life if you believe that the Almighty God called Yahweh can do it right now. The promises of miracles stand forever up till eternity by the power of the resurrection of our Lord Jesus Christ more than two thousand years ago. If you read his book without any liberal theological goggle, you shall understand and agree that Yahweh can turn your life around for good. For with Almighty God nothing will be impossible (See: Luke 1:37; Luke 18:27; Matthew 18:18-20; Isaiah 40:8; Isaiah 42:8; Psalm 81:10.

Inside the covers of this book you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: It isn't in the canon (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language! The Real Scriptures, edited by James Platter above, a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas, California in the United States, but now rejects the reduced 1627 A.D. Version of the KJV Bible, and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship, Moss Vale, N. S. W. Australia under the Reverend Alan Catchpoole in 1973.

### **The Velveteen Woman**

A paradigm-shifting blend of science, religion, and philosophy for agnostic, spiritual-but-not-religious, and scientifically minded readers Many people are fed up with the way traditional religion alienates them: too easily it can perpetuate conflict, vilify science, and undermine reason. Nancy Abrams, a philosopher of science, lawyer, and lifelong atheist, is among them. And yet, when she turned to the recovery community to face a personal struggle, she found that imagining a higher power gave her a new freedom. Intellectually, this was quite surprising. Meanwhile her husband, famed astrophysicist Joel Primack, was helping create a new theory of the universe based on dark matter and dark energy, and Abrams was collaborating with him on two books that put the new scientific picture into a social and political context. She wondered, "Could anything actually exist in this strange new universe that is worthy of the name 'God?'" In *A God That Could Be Real*, Abrams explores a radically new way of thinking about God. She dismantles several common assumptions about God and shows why an omniscient, omnipotent God that created the universe and plans what happens is incompatible with science—but that this doesn't preclude a God that can comfort and empower us. Moving away from traditional arguments for God, Abrams finds something worthy of the name "God" in the new science of emergence: just as a complex ant hill emerges from the collective behavior of individually clueless ants, and just as the global economy emerges from the interactions of billions of individuals' choices, God, she argues, is an "emergent phenomenon" that arises from the staggering complexity of humanity's collective aspirations and is in dialogue with every individual. This God did not create the universe—it created the meaning of the universe. It's not universal—it's planetary. It can't change the world, but it

helps us change the world. A God that could be real, Abrams shows us, is what humanity needs to inspire us to collectively cooperate to protect our warming planet and create a long-term civilization.

### **A Lifetime of Miracles: Yes, I Know. God Is Real**

Atheistic and agnostic writers are aggressively attacking traditional religious beliefs. Philosopher and prolific writer Peter Kreeft is up to the challenge in this work of popular apologetics aimed at both teens and adults. The masterful Kreeft tackles sixteen crucial issues about the deeper meaning of life. The questions that Kreeft explores range from, Is faith reasonable?, Can you prove there is a God?, and Why is Jesus different?, to Why is sex so confusing?, Why is there evil?, and Why must we die? Kreeft provides thoughtful, lucid, and persuasive answers for believers, unbelievers, and seekers to consider. As always, Kreeft is insightful, inspiring, and entertaining. This book is ideal for those exploring faith for the first time, as well as for confirmation and religious education classes. It's an intellectual and spiritual feast! This is vintage Kreeft.
