Richards of the Rolling Stones first picked up a guitar, illustrated by his daughter, Theodora Richards. Long before there was a band, there was a boy: a young Keith Richards, who was introduced to the joy of music through his beloved granddad, Theodore Augustus Dupree, affectionately known as "Gus," who was in a jazz big band and is the namesake of Keith's daughter, Theodora Dupree Richards. Gus & Me offers a rare and intimate look into the childhood of the legendary Keith Richards through this poignant and inspiring story that is lovingly illustrated with Theodora Richards's exquisite pen-and-ink collages. This unique autobiographical picture book honors the special bond between a grandfather and grandson and celebrates the artistic talents of the Richards family through the generations. It also includes selected photographs from the Richards family collection.
