## **Asbestos-Containing Materials (ACM) and Demolition | US EPA**

Guidance for Catastrophic Emergency Situations  
Involving Asbestos - December 2009; The asbestos  
NESHAP prohibits the reinstallation or installation of  
any insulating materials that contain commercial  
asbestos if the materials are either molded and friable  
or wet-applied and friable after drying. It is not  
recommended that other asbestos containing  
materials be reused.

EPA is now taking on the critical challenge of climate  
change. Carbon pollution from burning fossil fuels is  
rapidly changing the earth's climate. The  
transportation sector is one of the largest sources of  
carbon pollution in the U.S. EPA has set carbon  
emissions standards for passenger cars and trucks,  
onroad heavy duty trucks and buses, and
