The #1 New York Times bestseller. Over 1 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology,

psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride themselves on their love of language, this is seen as a tragedy. They are still reeling from the shock when another tile falls. And then another In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

To expand existing literature on loyalty schemes, the impact of stand-alone vs. multi-partner programs on customer loyalty was evaluated. In addition, the effects of store satisfaction, membership in competing programs, as well as various shopper characteristics were tested. Therefore, interviews were conducted with loyalty executives and a survey was carried out with 1,150 German customers of two fuel station chains. Stand-alone programs were found to outperform multi-partner schemes in their ability to trigger behavioral loyalty (e.g. share-of-wallet), attitudinal loyalty, and positive word-of-mouth. While program members showed significantly higher levels of loyalty than non-members, those of the stand-
