History of Britain and Ireland

The Heart of Scotland

The Wallace Book

Through his personality, ingenuity and ability, Wallace initiated a resistance movement which ultimately secured the nation's freedom and independence. This title investigates what is known of the medieval warrior's career. It examines his reputation, from the time of his horrendous execution onwards.

The Illustrated London News

The Highlands and Islands of Scotland

After the scandalous theft of a pub's World Cup cash kitty, a homeless drifter pursues his eccentric uncle: 'The Man Who Walks', up into the Highlands to recover the money - a cool -27,000. The nephew's frantic, stalled progress and other bizarre diversions form this wickedly hilarious novel. But who is The Man Who Walks? Is he simply a water-carrying madman with one glass eye and a fondness

for whisky and pony nuts, and who has a physiological inability to handle slopes? Or is he a savant, touched by the hand of God, wandering the back roads along ancient, ancestral tracks? And as the sinister, unstable nephew gains on The Man Who Walks, can it be that it will all end in a field and that this field is Culloden Moor?

History of the Scottish Highlands

"The Balladists" by John Geddie. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Scottish Diaspora

When Scotland Was Jewish

Get Free Macbeth Waverley Genuine Scottish Tartan Notebook

It is off-season in a remote Highland sea port: twenty-one-year-old Morvern Callar, a low-paid employee in the local supermarket, wakes one morning to find her strange boyfriend has committed suicide and is dead on their kitchen floor. Morvern's laconic reaction is both intriguing and immoral. What she does next is even more appalling **WINNER OF THE SOMERSET MAUGHAM AWARD**

History of Clan MacFarlane

Dáin do Eimhir

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate

your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Man Who Walks

In this witty and perceptive debut, a former editor at Psychology Today shows us how magical thinking makes life worth living. Psychologists have documented a litany of cognitive biases- misperceptions of the world-and explained their positive functions. Now, Matthew Hutson shows us that even the most hardcore skeptic indulges in magical thinking all the time-and it's crucial to our survival. Drawing on evolution, cognitive science, and neuroscience, Hutson shows us that magical thinking has been so useful to us that it's hardwired into our brains. It encourages us to think that we actually have free will. It helps make us believe that we have an underlying purpose in the world. It can even protect us from the paralyzing awareness of our own mortality. In other words, magical thinking is a completely irrational way of making our lives make rational sense. With wonderfully entertaining stories, personal reflections, and sharp observations, Hutson reveals our deepest fears and longings. He also assures us that it is no accident his surname contains so many of the same letters as this imprint.

Look Homeward, Angel

The Antiquary

Here we have Mr. Lang at his best. . . . The recollections, perhaps, are the best things in the book — of Stevenson, Dr. John Brown, and Oliver Wendell Holmes, all sympathetic, delicate, and perceptive in criticism, reticent to the point of shyness. But the lighter literary essays have that elusive humour of which we have spoken, even in a greater degree than the recollections, and in the " The Boy " Mr. Lang is almost rollicking — for Mr. Lang. This book is annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer. Contents: Preface Chapter I: Adventures Among Books Chapter Ii: Recollections Of Robert Louis Stevenson Chapter Iii: Rab's Friend Chapter Iv: Oliver Wendell Holmes Chapter V: Mr. Morris's Poems Chapter Vi: Mrs. Radcliffe's Novels Chapter Vii: A Scottish Romanticist Of 1830 Chapter Viii: The Confessions Of Saint Augustine Chapter Ix: Smollett Chapter X: Nathaniel Hawthorne Chapter Xi: The Paradise Of Poets Chapter Xii: Paris And Helen Chapter Xiii: Enchanted Cigarettes Chapter Xiv: Stories And Story-Telling (From Strath Naver) Chapter Xv: The Supernatural In Fiction Chapter Xvi: An Old Scottish Psychological Researcher Chapter Xvii: The Boy Footnotes

Adventures Among Books (Annotated Edition)

District Tartans

The Writer's Journey

The Celtic Monthly - A Magazine for Highlanders - Vol. VII is an unchanged, high-quality reprint of the original edition of 1892. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

The Adventures of Ferdinand Count Fathom

From Edinburgh to India & Burmah

This introductory history of the Scottish diaspora (c.1700 to 1945) explores migration, Scots' experiences where they landed and the reverse impact of this migration on Scotland. It examines the geographies of the diaspora and key theories, concepts and t

The Celtic Monthly

During the late 18th and early 19th centuries, travel and tourism in Scotland changed radically, from a time when there were very few travellers and no provision for those that there were, through to Scotland's emergence as a fully fledged tourist destination with the necessary physical and economic infrastructure. As the experience of travelling in Scotland changed, so too did the ways in which travellers wrote about their experiences. Tourists and Travellers explores the changing nature of travel and of travel writing in and about Scotland, focusing on the writings of five women - Sarah Murray, Anne Grant, Dorothy Wordsworth, Sarah Hazlitt and the anonymous female author of A Journey to the

District tartans have a longer pedigree than clan tartans but, although probably better supported from documented sources than clan tartans, they have received less attention over the past two centuries.

Red Cap Tales

Greyfriars Bobby

True Scots should have more philosophy than to imitate unenlightened patriotisms

Get Free Macbeth Waverley Genuine Scottish Tartan Notebook

that would interrupt a natural process defined by Herbert Spencer as change from an incoherent homogeneity to a coherent heterogeneity accompanied by the dissipation of motion and the integration of matter. So Penelope peoples, in their darkness, undo the work of civilising daylight. Let Bohemia rage and the states of the Balkans imagine vain things. But why should Scotland waste time and electric light on looking back too fondly to the things that are behind, while she cannot help pressing forward to the inevitable destiny before her? With the warning of Ireland at hand, some of us cry out for Home Rule and such-like retrogressions that might go to giving back, at one end of the United Kingdom, the shadow of its cloudy dignity along with the substance of its old discords. Where is this reactionary Particularismus to stop? There are parts of Caledonia which, in its stern and wild times, were independent of each other, some that still are as different from one another in blood and speech, as most of Scotland is from England. Shall Badenoch or Buchan awake its overlaid individuality? May not Galloway and Strathclyde set up for recognition of their ex-independence? Then why not encourage Strathbogie, the Cumbraes, the Braes of Bonny Doon, or the parish of Gandercleugh, to lament upon the fate that has made them members of one greater body? Nay, now that the clans are broken up, could they not contrive to respin their warp of local loyalty, crossing the woof of national patriotism? Such reductio ad absurdum is worth thinking about, when at this moment there are signs of relapse in the long convalescence from that Jacobite fever that "carried" hard heads as well as soft hearts, and set old grudges against the Union flaunting

in plaid and philibeg.

Morvern Callar

HIGHLANDS AND ISLANDS, as we Scots chuckle to ourselves, is the one phrase

Get Free Macbeth Waverley Genuine Scottish Tartan Notebook

which an Englishman cannot mispronounce. I read lately a book of Scottish travel by an American, who made my countrymen leave out their h's like any Cockney; then I at once laid aside this writer's observations as vain. The humblest Scot never drops an h, unless in words like hospital, which the Southron painfully aspirates in his anxiety not to be judged vulgar, as in living memory he has tacked this test of breeding on to humour and humble. More fairly we may be charged with overdoing the h sound; and there are two or three words in which we insert it: huz, for instance, said in some parts for "us." In the game of anglicé "touch" or "tag," my childish conception of the formula "who's hit?" made it a participle meaning "struck" or "touched," till I heard German children crying in like case "Ich bin es!" when I did not know how hit is the old English pronoun, preserved by Scots dialects, which are the truest copies of our national tongue. Once, indeed--it was in Derbyshire--I came across a man speaking with a strong West Highland accent, yet misusing the letter h. This seemed such a prodigy that I made a point of getting it explained. It turned out that he was the son of a Yorkshire shepherd, who had taken service on the Isle of Mull. There the boy came to be most at home in Gaelic, while what English he had was on a bad model--the reverse of lingua Toscana in bocca Romana. His younger brothers, he told me, grew up hardly speaking English at all, and he, the bilingual member of the family, had often to interpret between them and their mother, who could never get her tongue round the strange speech. We speak of a mother-tongue; but it is from their play-fellows that active lads seem to learn fastest.

The Scott Country

Inside Greenwich Village

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.
