Fire Sail

“David Gemmell tells a very real adventure, the stuff of true epic fantasy.”—New York Times bestselling author R. A. Salvatore John Shannow, The Jerusalem Man, lived in a world that had toppled on its axis. Civilization had been replaced by ruthlessness and savagery. Relentless in his quest for peace, Shannow followed a path that led only to bloodshed and sorrow. Abaddon, the Lord of the Pit, sought to plunge mankind into a new Satanic era. His Hellborn army spewed forth from the Plague Lands with an unholy force stemming from human sacrifice. For it was the blood of innocents that fueled the corrupted Sipstrassi Stones of Power—the source of Abaddon's might. But the Hellborn made a fatal mistake—they took the woman who had stolen Shannow's heart. He would move Heaven and Earth to save her or he would die trying. “Gemmell . . . keeps the mythic currents crackling.”—Publishers Weekly

Ghost Writer in the Sky

Four fated individuals including a nature empath, a brave woman, a clever inventor and a seductive defender witness key moments in human history that are driven by natural forces that destroy some of the world's proudest civilizations. By the best-selling author of Isle of Woman. Reprint. 75,000 first printing.

Pale Horse

Pornucopia is a picaresque black comedy that transgresses all bounds of everyday good taste. It begins in a near-future world where sex-vending machines and genital transplants are taken for granted. Prior Gross, the hero and sex object of this wild adventure, thinks his fantasies have all come true when a beautiful young woman seduces him on a public beach. She turns out to be a succubus, beginning his initiation into a realm populated by demons that are not merely horned, but

horny. He encounters a perverse cast of characters that includes a satyr, a vampire, and a pair of luscious sisters, one of whom tricks him out of his manhood. So Prior Gross sets out on a perverse odyssey, taking him to a distant planet where he discovers the key to the return of his property and, ultimately, the origin of the universe itself.

The Pale King

Stile had problems on two different worlds. On Proton he was threatened with murder, and on Phaze, an alternate world ruled by magic, he had to master magic, fight a dragon, win the friendship of a lady unicorn, locate his enemy among the paranoid Adepts and return out of Phaze to win the Great Games on Proton. After that, he was ready to face the real problems! THE APPRENTICE ADEPT Book OneSPLIT INFINITY Book TwoBLUE ADEPT BookThreeJUXTAPOSITION From the Paperback edition.

Wolf in Shadow

In the ruins of Yorkshire's Fountains Abbey lies the body of a man wrapped in a cloak, the face covered by a gas mask. Next to him is a book on alchemy, which belongs to the schoolmaster, a conscientious objector in the Great War. Who is this man, and is the investigation into his death being manipulated by a thirst for revenge? Meanwhile, the British War Office is searching for a missing man of their own, someone whose war work was so secret that even Rutledge isn't told his real name or what he did. The search takes Rutledge to Berkshire, where cottages once built to house lepers stand in the shadow of a great white horse cut into the chalk hillside. The current inhabitants of the cottages are outcasts, too, hiding from their own pasts. Who among them is telling the truth about their neighbors and who is twisting it? Here is a puzzle requiring all of Rutledge's daring and skill, for there are layers of lies and deception, while a ruthless killer is determined to hold on to freedom at any cost. And the pale horse looming overhead serves as a reminder that death is never finished with anyone, least of all the men who fought in the trenches of France.

The Sopaths

Unlikely Goblin hero Goody is instructed by the Good Magician Humfrey to find a suitable home for a foul-tempered bird, a quest that inadvertently triggers an invasion by an army of seemingly indestructible killer robots and forces Goody to enlist the aid of a host of supernatural denizens. Reprint.

Blue Adept

Throughout history, man has been searching for better ways to gather information about his universe. But although they may have longed for it, not even the most brilliant minds could conceive of a device as infinitely powerful or as immeasurably precise as the Macroscope, until the twenty-first century. This is a story of mans desperate search for a compromise between his mind and his heart, between knowledge and humanity.

Pornucopia

There is trouble in Xanth again—all kinds of trouble, in fact. The Gap Dragon had escaped from the Gap and was ravaging across the land. The forget-spell that had covered the Gap was breaking up into small forget-whorls that wandered about, giving amnesia to all they touched. Good Magician Humfrey might have had the Answer, but he had overdosed on water from the Fountain of Youth and was only a helpless baby. And Ivy, three-year-old daughter of King Dor and Queen Irene, as lost in the jungles south of the Gap. While Irene sought her without much hope, Ivy was wandering further into danger, her memories erased by a passing forget-whorl. Her path was leading her directly to where the Gap Dragon was seeking dinner.

Split Infinity

The incarnation has made mystics of us all. What if we read the gospels as if that were true? In his book *Contemplating Christ*, Vincent Pizzuto offers an exploration of the interior life for modern contemplatives that is as beautiful as it is compelling. With an emphasis on the gospels and Christian mystical tradition, his book explores ancient themes in new and surprising ways. Drawing on his rich experience as an academic and priest, Pizzuto gradually unfolds the Christian mystery of deification to which the whole of biblical revelation and the Christian contemplative life are ordered: through the incarnation, we have all been made “other Christs” in the world.

Mistress of Death

An ancient and malevolent female immortal is rising in Manhattan to reclaim her son, the archangel Raphael. Only one thing stands in her way: Elena Deveraux, a vampire-hunter-and Raphael's lover. [Watch a Video](#)

Night Mare

The New York Times–bestselling series continues with this pun-tastic epic quest and far-flung fantasy adventure. Lydell, a shy, naive man of twenty-one, and world-weary grandmother Grania could not be more different. But when their paths cross on the way to beseech the Good Magician to add some excitement to their extraordinarily dull lives, the one thing they

have in common is about to get them more than they bargained for . . . Lydell and Grania's exceptional integrity makes them valuable to the Good Magician. He promises to fulfill their hearts' desires on the condition they pilot a fireboat to its new proprietors, whoever—and wherever—they may be. Along with an obnoxious bird and a robot dogfish as shipmates, they unfurl their sail of flame and cruise through the skies of Xanth, guided by cryptic clues. Picking up a crew of future children along the way, Lydell and Grania must plan a royal wedding, detonate an F-Bomb, evade illusion dragons, rescue Jack and Jill, find a princess for a werewolf prince, and face their greatest fears—all while remaining true to their compulsively honest selves. Fire Sail is the 42nd book in the Xanth series, but you may enjoy reading the series in any order.

Jest Right

In this brilliant continuation of the epic adventure that began in Split Infinity, Piers Anthony again proves himself a master of both fantasy and science fiction For Stile, life was a matter of shuttling madly between two worlds, with the problems growing greater on each. On the science world of Proton, he was a serf, trying to prove his right to exist by competing in the Great Games. On Phaze, where only magic worked, he was the Blue Adept, trying to master the powers of sorcery. And on both worlds, someone was trying to assassinate him. Aside from winning increasingly difficult contests with no time to prepare, all he had to do was win the love of the Lady Blue, fight a dragon, discover the ultimate weapon—and, of course, seek the paranoid Adept or the all-powerful Citizen who was trying to kill him! And now, just when things were growing impossible, he had to fight a mortal duel with the unicorn Herd Leader, against whom his magic powers were useless!

A Spell for Chameleon (The Parallel Edition Simplified)

The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions--questions of life's meaning and of the value of work and society--through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time.

Pale Wings Protecting

Pale Horse is the remarkable never-before-told true story of an army aviation task force during combat in the Afghan War, told by the commanding officer who was there. Set in the very valleys where the attacks of 9/11 were conceived, and where ten Medals of Honor have been earned since that fateful day the war began, the narrative races from ferocious firefights and bravery in battle to the quiet moments where the courageous men and women of Task Force Pale Horse catch their breath before they take to the skies again. Jimmy F. Blackmon writes with a power and hard-hitting honesty that leaps off the page. He has the respect of the men and women of his brigade, and a command of the narrative to tell their story. From pilots of lethal Apache attack helicopters who strike fear in their enemies to the medevac soldiers who risk their lives daily, these are warriors from a variety of backgrounds who learned selflessness and found the closest brotherhood they ever knew through the crucible of war. Pale Horse both honors and commemorates the service of this elite task force from the unique vantage point of the commander who led them in battle.

Pet Peeve

On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious “curtain” revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first encounter was with an amulet that turned into a demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. “Know thyself!” the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!

Magic Kingdom for Sale/sold!

The danger to Xanth was so great that only a night mare could offer hope! The Nextwave of barbarian warriors was invading Xanth from the north, ravaging and destroying as they advanced. But Mare Imbrium had her own problems. Ever since she had gained the half soul, the night mare had begun to mishandle her job of delivering bad dreams. Now the night Stallion dismissed her, exiling her to the day world with a message for King Trent: Beware the Horseman! She had no idea what that meant. But that was the way with prophetic warnings—nobody could understand them until it was too late. Then she met the Horseman. And she discovered that one who would right a night mare was a master of a bit and spur, and not a man to surrender her. For the night mare, it all began to be a horrible nightmare!

Behold a Pale Horse

In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death. This is a novel that will long linger in the reader's mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!

On a Pale Horse

Humanity is threatened by its own monstrous children in this controversial fantasy novel from the New York Times–bestselling author. Killing children is an ugly business, but the alternative is so much uglier. Abner Slate just watched his five-year-old daughter, Olive, kill his wife and son. Olive is a sopath. Born without souls, sopaths are children who will lie, cheat, rape, and murder to get what they want. There's one in every family these days, destroying America's heartland from within. After murdering his daughter in self-defense, Abner is taken in by a secret network of sopath victims called Pariah. Through Pariah, he meets other sopath victims who band together to form a temporary nuclear family. But the sopath threat is getting worse, and soon their quaint little neighborhood is overrun by murderous, drug-running children. Now, on a mission for Pariah, Abner and his makeshift family must travel across the country to a mysterious town that contains a secret powerful enough to stop the sopath crisis. Instead, they find the most seductive and ruthless sopath of all. Her name is Autopsy, and she would like to add Abner to her slave collection. The old morality is dead. Now the sopaths will stalk the Earth.

Dragon on a Pedestal

A quest for the source of power threatened to doom the land of Xanth. As a ruler of a country steeped in enchantment, King Trent was naturally curious about the source of its magic. It made sense to order Bink, the only one of his subjects immune to supernatural harm, to undertake a quest to discover the wellspring of Xanth's uniqueness. From the beginning, Bink and his companions, Chester the centaur and Crombie, the soldier transformed into a griffin, were harried by an unseen enemy determined to thwart them. Even the power of Good Magician Humfrey, together with Bink's protective talent, scarcely saved their lives. Then when Humfrey and Crombie turned against him, all seemed lost. But Bink's ingenuity and luck prevailed, and he reached his goal. The King's orders had been carried out . . . But the King had not expected Bink's next act—to destroy utterly the magic of Xanth!

When Faith Fails

In the second novel of the series, Jason Striker runs afoul of the black karate mistress Ilunga and a deadly drug conspiracy. These are fast-moving and violent stories, without ignoring human values.

Bearing an Hourglass

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

Archangel's Consort

Two Ordinary People from Mundania travel to Xanth to defeat a rogue Night Colt in the latest in a beloved series from bestselling author Piers Anthony. The Night Colt has one ambition: to deliver dreams to the deserving. Unfortunately, only Night Mares can take on this task, and the Colt has no hope of leading his own herd if he can't get any practice. . . . So he's struck a deal with a Mundane. During the hours when the Night Mares rest—dusk and dawn—the duo plants stories in the air, compelling the people of Xanth to enact them—whether they want to or not. Unwilling to participate in these fantasies, the princesses of Xanth, Dawn and Eve, come up with a plan to fight the menacing pair, but they'll need the help of two

unlikely heroes to succeed. In Mundania, a mysterious painting entrances Ordinary People Tartan and Tara. But why do they each see something different when they look at it? They quickly learn that it's not a painting after all, but a portal to a magical world. With nothing to lose, they climb through the portal into Xanth and are met with a plea to help stop the Night Colt and his ghost writer. Tartan and Tara don't hesitate to join the quest to save Xanth from the ultimate pun-tastrophe. Together with their new friends, they'll begin a journey full of magic and romance—and, of course, puns—that will lead them to a long-lost prince, a beautiful dragoness, the goddess Isis, and a demon named Ted. With rip-roaring humor and nonstop adventure, the newest addition to Piers Anthony's popular Xanth series is sure to enchant fans of epic fantasy. Ghost Writer in the Sky is the 41st book in the Xanth series, but you may enjoy reading the series in any order.

Isis Orb

All of Xanth is a stage as an unlikely hero saves the show in the New York Times–bestselling series. There's no shortage of laughs when Jess is around; she's been cursed to have nobody take her seriously. But her dubious talent comes in handy when she meets the very handsome showman Magnus. He promises to fake taking her seriously—if Jess joins his traveling show. But first they must see the Good Magician. He will give them the use of the flying Fire Boat to tour the realm if they complete a quest. The only problem is, he can't remember what quest. Something to do with night mares, day mares, and one or two future princesses. As Jess and Magnus try to unravel the mystery, they discover their true mission: to save Xanth from a big bird with a bone to peck . . .

For Love of Evil

Pornucopia is a picaresque black comedy that transgresses all bounds of everyday good taste. It begins in a near-future world where sex-vending machines and genital transplants are taken for granted. Prior Gross, the hero and sex object of this wild adventure, thinks his fantasies have all come true when a beautiful young woman seduces him on a public beach. She turns out to be a succubus, beginning his initiation into a realm populated by demons that are not merely horned, but horny. He encounters a perverse cast of characters that includes a satyr, a vampire, and a pair of luscious sisters, one of whom tricks him out of his manhood. So Prior Gross sets out on a perverse odyssey, taking him to a distant planet where he discovers the key to the return of his property and, ultimately, the origin of the universe itself.

Notes from the Underground

Here in this third complete-in-itself novel of the Incarnations of Immortality, Piers Anthony weaves a fascinating plot as tangled as any skein of fate. This is Anthony at his most ingenious, with another gripping fantasy of the struggle of the

incarnations against the machinations of Satan. When the man Niobe loved was shot, she learned that she had been the target, in a devious plot of the Devil's. Hoping for revenge. Niobe accepted a position as one of the three Aspects of Fate, only to find that Satan's plots were tangled into the very Tapestry of Fate. Now the Evil One was laying a trap to ruin Niobe's granddaughter Luna, who threatened his plans—and he had tricked her son into Hell. Niobe's only chance to save her son and Luna was to accept a challenge by the Prince of Deceit—a challenge to be decided in Hell and in a maze of Satan's devising!

Deryni Rising

Charissa, a full-blooded Deryni trained in the disciplines of sorcery and necromancy, threatens the rulership of Kelson and the life of his chief advisor Morgan, in a special revised edition of the classic fantasy novel, which includes a special introduction by the author. Reprint.

Source of Magic

A Nebula and Hugo Award Finalist: The first novel by the New York Times–bestselling author of the Xanth series. Chthon was Piers Anthony's first published novel in 1967, written over the course of seven years. He started it when he was in the US Army, so it has a long prison sequence that is reminiscent of that experience, being dark and grim. It features Aton Five, a space man who commits the crime of falling in love with the dangerous, alluring Minionette and is therefore condemned to death in the subterranean prison of Chthon. It uses flashbacks to show how he came to know the Minionette, and flash-forwards to show how he dealt with her after his escape from prison. The author regards this as perhaps the most intricately structured novel the science fantasy genre has seen.

Chthon

A quest to fulfill a lifelong wish leads to magic, adventure—and puns—as the New York Times–bestselling author revisits the enchanted land of Xanth. In Xanth, everyone has a talent. But that doesn't mean everyone loves his talent, and no one understands that better than Hapless. Endowed with the ability to conjure any instrument he wants, Hapless could be an extraordinary musician if only he could play a tune that didn't fall ear-piercingly flat. His one desire is to find an instrument he can play—and maybe a girlfriend or three. But like music, women have never been his forte. When the Good Magician hears about Hapless's desperate desire, he sends the young man on a quest to find the elusive Isis Orb, a magical talisman that could fulfill his wish. But the mysterious Egyptian goddess for whom the orb is named guards the enchanted object and won't let anyone see it—let alone use it. Setting out to achieve the impossible, Hapless meets an eclectic mix of creatures

that join him on his journey. Like the musically challenged Hapless, they all have wishes they hope the Isis Orb will grant. But the only way they can control the orb is to capture the five totems from the regions of Xanth: Fire, Earth, Air, Water, and the Void. Together, this motley crew will heroically fight dragons, a six-headed griffin, and even a beautiful, seductive water gorgon who tries to rain on Hapless's parade. With its thrilling exploits and endless humor, the newest addition to Piers Anthony's beloved Xanth series is sure to keep readers enthralled. Isis Orb is the 40th book in the Xanth series, but you may enjoy reading the series in any order.

Firefly

Learn the Words. Get the blood. Rule the world. The Ustari Cycle starts here. From the "exhilarating, powerful, and entertaining" (Guardian) storyteller of the Avery Cates series comes a gritty supernatural thriller featuring a pair of unlikely heroes caught up in the underground world of blood magic. Magicians: they are not good people. The ethics in a world of blood are gray—and an underground strata of blood magicians has been engineering disasters for centuries in order to acquire enough fuel for their spells. Although in the modern world these mages stay in the shadows, their exploits have become no less bloody. Still, some practitioners use the Words and a swipe of the blade to cast simpler spells, such as Charms and Cantrips to gas up \$1 bills so they appear to be \$20s. Lem Vonnegan and his sidekick Mags fall into this level of mage, hustlers and con men all. Lem tries to be ethical by using only his own blood, by not using Bleeders or "volunteers." But it makes life hard. Soon they might have to get honest work. When the pair encounter a girl who's been kidnapped and marked up with magic runes for a ritual spell, it's clear they're in over their heads. Turning to Lem's estranged Master for help, they are told that not only is the girl's life all but forfeit, but that the world's preeminent mage, Mika Renar, has earth-shattering plans for her—and Lem just got in the way. With the fate of the world on the line, and Lem both spooked and intrigued by the mysterious girl, the other nominate him to become the huckleberry who'll take down Renar. But even if he, Mags, and the simpletons who follow him prevail, they're dealing with the kind of power that doesn't understand defeat, or mercy. (The first portion of *We Are Not Good People* was originally published in an altered form as *Trickster* by Pocket Books).

A Pale Horse

Piers Anthony's bestselling Xanth series is one of the cornerstones of fantasy, a lively and whimsical interpretation of a genre often criticized for taking itself too seriously. Anthony's first Xanth novel, *A Spell for Chameleon*, was initially edited to target a more traditional audience. Now, in an eBook exclusive, *A Spell for Chameleon* has been reworked line by line—its language matching the simpler, playful way with words that made Piers Anthony an enduring fan favorite. Xanth is an enchanted land where magic rules, a land of centaurs and dragons and basilisks where every citizen has a unique spell to

call their own. For Bink of North Village, however, Xanth is no fairy tale. He alone has no magic. And unless he gets some—and fast!—he will be exiled. Forever. But the Good Magician Humfrey is convinced that Bink does indeed have magic. In fact, both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King, the Good Magician Humfrey, or even the Evil Magician Trent. Be that as it may, no one can fathom the nature of Bink's very special magic. This is even worse than having no magic at all . . . and he still faces exile!

Contemplating Christ

Assigned to partner Detective Daryl Chandler in the investigation of a series of child abductions, Special Agent Blythe Kent is both intrigued by the cases and the woman bringing them to the attention of New York's Deviant Data Unit. Detective Chandler knows she can find every child in her case files. Possessing an almost uncanny sixth sense, and using good old-fashioned detective work, Daryl has been drawn to a wealthy suburb where she believes the children are. With Daryl and Blythe posing as a loving couple desperate to adopt a child of their own, Daryl believes they can draw the kidnapper out and bring all the missing children home. Neither of them is aware that unearthly hands have a stake in the abductions, and that when it comes to facing demons, they are going to need a protector of their own to get everyone home safe and sound.

With a Tangled Skein

When a Nymph rides a Night Mare, Ogre beware! Smash knew all about ogres. After all, despite his having a human mother, Smash was an ogre himself. Ogres were not only huge and horribly ugly, as Smash was; they were also so stupid they could hardly speak, and they spent most of their time fighting, destroying, and eating young girls. So what was he doing here with seven assorted females looking to him to guide them and save them? Even in Xanth, where magic made anything possible, why should Tandy the Nymph trust him and seem fond of him? And how could all that high-flown conversation be coming out of his mouth? But that, it seemed, was what he got for going to Good Magician Humfrey for an Answer—before he even knew what the Question was!

We Are Not Good People

The inhabitants of a remote estate in Florida's savannah country fall under the spell of a horrible predator who inflames and perverts their sexual desires, leading to a series of bizarre and deadly encounters

Pornucopia

You've never seen the Old West like this before! Ex-slave and former Union soldier Cole has spent the years after the Civil War building a reputation as the most fearsome bounty hunter in the land. But when the tables turn and a bounty is placed on Cole's head, all hell breaks loose. Finding himself unable to protect the thing most precious to him—his family—Cole goes on a rampage of revenge, leaving a trail of blood and wreckage in his wake. With nothing but his horse, his one surviving son, and his gun, Cole's vengeful journey leaves no stone unturned and no culprit living! The thrilling miniseries from the writer of the critically acclaimed *28 DAYS LATER* and *HEXED!*

Climate of Change

An enchanting, hypnotic trilogy of witchcraft, adventure, and romance from the beloved author of *Interview with the Vampire* and *The Vampire Lestat*, *The Mayfair Witches* is a wondrous journey through the centuries, across the globe, and between the human and demonic worlds. Now all three novels in Anne Rice's spellbinding series have been collected for the first time in this stunning eBook bundle: *THE WITCHING HOUR*, *LASHER*, *TALTOS*. On the screened porch of a great New Orleans house, now faded, a mute and fragile woman sits rocking. She belongs to a legendary dynasty of witches—a family that is itself haunted over the ages by a dangerous and seductive being named Lasher. Their story begins in our time, with a rescue at sea. Rowan Mayfair, a brilliant neurosurgeon aware of her abilities but oblivious to her ancient line, finds the drowned body of Michael Curry off the coast of California and brings him to life. In his brief interval of death, he has acquired a sensory power that mystifies and frightens him. Fiercely drawn to each other, Rowan and Michael set out to solve the mystery of her past and his unwelcome gift, and an intricate tale of evil unfolds: an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit that spells her own destruction and torments each of her descendants in turn. Praise for Anne Rice and *The Mayfair Witches* “Behind all the velvet drapes and the gossamer winding sheets, this is an old-fashioned family saga. . . . Rice's descriptive writing is so opulent that it almost begs to be read [by] candlelight.”—*The Washington Post Book World* “[A] huge and sprawling tale of horror.”—*The New York Times Book Review* “Lush prose, dense atmosphere, steamy sex, Gothic tension. . . . Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history.”—*San Francisco Chronicle* “Spellbinding . . . mythical . . . Rice is a pure storyteller.”—*Cosmopolitan* “Rice sees things on a grand scale. . . . There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other.”—*The Boston Globe* “An intricate, stunning imagination.”—*Los Angeles Times Book Review* “It is hard to praise sufficiently the originality of Miss Rice. . . . She has made a masterpiece of the morbid, worthy of Poe's daughter.”—*The Wall Street Journal*

Macroscopic

Like *On a Pale Horse*, this second, complete-in-itself novel of the *Incarnations of Immortality* is a richly imagined and always

fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.

Juxtaposition

The Man Who Would Be Satan Parry was a gifted musician and an apprentice in the arts of White Magic. But his life of sweet promise went disastrously awry following the sudden, violent death of his beloved Jolie. Led down the twisted path of wickedness and depravity by Lilah the harlot demoness, Parry thrived -- first as a sorcerer, then as a monk, and finally as a feared inquisitor. But it wasn't until his mortal flame was extinguished that Parry found his true calling -- as the Incarnation of Evil. And, at the gates of Hell, he prepared to wage war on the master himself -- Lucifer, the dark lord -- with dominion over the infernal realms the ultimate prize!

Ogre, Ogre

Pale Horse

Darkly fascinating short novel depicts the struggles of a doubting, supremely alienated protagonist in a world of relative values. Embraces moral, religious, political, and social themes. Authoritative Constance Garnett translation. New introduction.

The Mayfair Witches Series 3-Book Bundle

"This book is for those of us who have experienced a gut check, or two, when it comes to some of the intersections between our lives and our faith. It's for those of us who no longer want to add unnecessary explanations to our beliefs just because we can't fully see what God is doing in our lives." —Bob Goff, New York Times bestselling author of *Everybody, Always* How do you deal with the hard questions about God, the church, and the Bible? Where can you find a safe place to openly and honestly wrestle with your faith without being criticized or judged? If you have ever struggled with doubt, you are not alone.

Writing with humor and candor out of his own experiences, and incorporating Scripture, literature, and accounts of others who have doubted, Dominic Done argues that not only is questioning normal, it is often a path toward a rich and vibrant faith. Whether your struggle is with tragedy, the difficult parts of the Bible, the intersection of science and faith, or even God's silence, you can move through doubt into a deeper, fuller faith—a faith that doesn't run from questions and the hard work of honest wrestling but instead embraces the mysteries of belief. “This book is one of those books that I will be buying to give to multiple friends.” —Jefferson Bethke, New York Times bestselling author of *Jesus > Religion* “This book will help you surrender and trust the areas of your life that are meant to exude God-designed mystery, while also holding your hand as you search for substance and truth.” —Audrey Roloff, coauthor of *A Love Letter Life*, founder of *Always More*, and cofounder of *Beating50Percent* “Doubt is such a pertinent issue in this cultural moment. Dominic walks us through the issues of doubt with which we wrestle but he does so in pastoral practicality. One feels as though you are seated in his living room sipping coffee. Dominic is the type of soul who understands the questions of the heart. He never shames. He's always transparent. He gives substantive hope.” —Emerson Eggerichs, PhD, New York Times bestselling author of *Love & Respect*
