### **Not Yet Married**

This book is about marriage as God intended it to be. God is the Author of marriage. He instituted it in order to provide a need for assistance felt by the first human being. So there is a purpose for which God gave the woman to man. In order for marriage to be successful, the partners going into it must first be at the centre of God's will. They ought to know God's purposes for marriage. They ought also to know that there must be a commitment from both parties to pursue the purpose of God for the marriage. This requires mutual knowledge. Make sure you are compatible with the one you're marrying. In the book, compatibility is presented as a powerful factor in the harmony of couples, who are later called to face several pressures: sentimental, social, professional, economic, and even spiritual. This book will heal the man blinded by ignorant zeal and passion and untie the slaves of emotion. This is a book on marriage, showing how to choose a good spouse, taking into account several parameters. I recommend that you read it through without presumption. Please, read the book and in a spirit of prayer and obedience.

### **The Marriage Prayer**

Wrecked marriages and divorce is common place in our society today. Now divorce is court sanctioned and politically, religiously and socially acceptable in most cases. It is now a norm because no one seems to have any real solution to saving a wrecked marriage or preventing a divorce. Despite the wide acceptance of divorce all around the world, divorce isn't happy. It is obvious that a wrecked marriage or divorce proves that something is seriously wrong in too many marriages. The fact still remains and this is true: "No one marries just to have a wrecked marriage or just to get a divorce." In most cases - 97% of the time, people marry with good intentions, with the hope of spending the rest of their lives with a loved one. But sadly something went wrong and now both parties are at daggers end, fighting everyday, not being on speaking terms - completely fed-up with what is called marriage. The "wrong partner" supposedly causes divorce or wrecked marriages. This is what both parties claim about the other. But is this really true? Apart from what is seen on the surface, and the character issues, are there no other underlying forces working behind the scene to create chaos in marriages by causing one of the parties or both involved to behave and act the way they do? These forces are demonic and unless you deal with them first by casting them out, you will lose your marriage. There is someone the bible calls the "god of this world" (2 Corinthians 4:4). His primary aim is to get people to do what is not right. Apart from keeping people away from being saved, he also comes "to kill, to steal and to destroy" John 10:10 and one of the areas of attack is marriage. So you see, your spouse is not really the problem, but the devil who is manipulating things to get you both divorced and have a wrecked marriage. There is a place for counsel geared towards helping you both get things in their right perspectives and work on your marriage for success. There is also a place for prayer, and without it, no amount of counseling sessions attended, or blame fixing or crying can solve anything. You need to get the devil out first for anything to work. This book was written to provide you with tested, proven and effective spiritual warfare prayer points with which to use in casting out the devil in order to save your marriage and restore normalcy. It contains: \* 55 Personal Spiritual Warfare And Intercessory Prayer Points For Yourself And The Restoration Of Your Marriage \* 55 Prayer Points To Pray For Change In Your Husband And For Him Not To Quit On You And The Marriage \* 40 Spiritual Warfare Prayer Points Against Unfaithfulness, The Effect And Power Of The Strange Woman And Adultery In The Life Of Your Husband \* 36 Powerful Prayer Points For God To Restore Your Husband - His Love, His Heart And Your Marriage Back To You. Once you successfully engage effectively in these prayers for a while, you will soon see your marriage responding to the blessings, deliverance and restoration of God. I encourage you to make full practical use of this prayer guide.

### **Fast Friends**

It's easy to say, "I love you," but not so easy to live it when we're called to be patient and kind. Love is more than a word, and so much more than a feeling. It's humility when we want to hold onto our pride. It's holding our tongue when we want to lash out. It's a kind word when we're angry and hurt. It's perseverance when we want to give up. Satan is out to destroy your marriage, and in the process destroy you. It's for this reason that we are called to be fervent in prayer. Join hands together; ride beside each other in battle. Slay every thought and imagination that threatens your bond. 100 Prayers For Your Marriage is an invitation to draw close to each other and closer to God. It's a dare to fight for your marriage. It's a challenge to pray with, and for each other every day.

### **Sacred Marriage**

There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do.

In this popular bestselling book (with more than 500,000 copies sold), Gary Thomas uncovers how your marriage can become a doorway to a closer walk with God and each other. Happy is good. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it exposes sin and makes us more aware of God's

Research is clear that the practice of faith makes a considerable difference in marriage. Perhaps nothing is so basic and common among all Christian denominations and church affiliations than prayer. We were created by a God who longs to communicate with us. That dialogue is meant to be a two-way conversation in which we listen and we speak. Sometimes we make it more difficult than it needs to be. Dr. Timothy Heck, former ordained Minister, marriage and family therapist with three decades of experience working with couples, graduate professor and researcher, brings his study on prayer home in this simple compilation of 40 original prayers for marriage. His education, clinical experience and research has convinced him of this one truth--nothing makes a greater difference in our lives and in marriage than prayer. Take his dare for the next 40 days. Ask your spouse to join you in praying just one simple prayer a day. He also gives readers a simple exercise at the conclusion of each prayer that will only help enhance the focus of the prayer. These 40 prayers may just change the course of your marriage forever!

## **Spousal Prayer**

Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. "Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny." —Susan Slusher, Dean, Christian International Equipping Network
