This text is appealing to both teachers and students because of Dr. Abadinsky's extensive probation and parole background. The eighth edition has been streamlined and expanded into fourteen chapters, with some chapters reorganized. New to this edition: Material on supervising substance-abusing offenders Additional material on supervising sex offenders Additional material on supervising persons with HIV/AIDS To remain cutting edge in the field, this edition continues to use materials from juvenile and adult probation and parole agencies throughout the country, providing state-of-the-art practices in probation and parole.
