This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." *Shaping the Prayers of the People* begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.

### **Hidden Mountain, Secret Garden**

Without a concerted storm of prayer around the clock and around the globe we cannot expect to see revival in our time. Updating the model of the Moravians in Herrnhut, Germany two centuries ago, James Goll lays out a plan for today: an Internet-based community of intercessors who commit to pray one hour per week for (1) revival in the church, (2) youth awakening, (3) Israel, and (4) major crises. God does nothing but in answer to prayer, said John Wesley. This first book in the Prayer Storm series helps to raise up a new worldwide band of fervent intercessors.

Prayer, Jim Manney introduces Christians to a 500-year-old form of prayer that dramatically altered his perception of prayer and the way he prayed. The prayer is the examen, which St. Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence. What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere "up there," detached from our day-to-day tasks and concerns. Instead, the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created. By following five simple yet powerful steps for praying the examen, we can encounter the God who, as Scripture tells us, "is not far from each one of us"—the God whose presence in our lives can make all the difference in the world. "Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has

conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! 7 Steps to Revival Years ago, the Lord spoke these words to international Bible teacher Derek Prince, author of the acclaimed book *Shaping History Through Prayer and Fasting*: “There shall be a great revival in the United States and Great Britain.” Derek believed God was going to send a tremendous revival. But He wasn’t going to send it to the nations. He was going to send revival to the church in the nations. Then, that revival would impact the world with the gospel of Jesus Christ before His return. This prophetic word about revival has yet to be fulfilled, which means the years to come hold great excitement for the church. The renewal God wants to bring to the United States and Great Britain—indeed, to the whole earth—may lie just ahead of us. Each of us has a pivotal role in this upcoming revival. How should we prepare ourselves to be used by the Lord in the revolutionary times to come? The fact is, how soon we see this revival will depend on how soon we are ready. Derek Prince knew there would be many contributing factors to the worldwide revival God intends to bring. In this riveting book, he focuses on seven elements that are essential to the process.
