A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota

Read PDF Toyota Landcruiser 100 Series Sunroof Manual

entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

Business Review Weekly

Readers can get prices, engine descriptions, and horsepower ratings on used cars made between 1986 and 1999 in this comprehensive guide, updated quarterly. There are no confusing look-up tables for car options, and only one simple table for vans and

- A complete history of these impressive vehicles which includes technical specs of all models and production lines- Includes a separate timeline-poster of the history of the Land Cruiser- Revised and extended editionDeveloped in 1951 as Toyota's version of a Jeep-like vehicle, the Land Cruiser has been produced in convertible, hardtop, station wagon and utility truck versions plus its current flagship 4WD vehicle. Its reliability and longevity has led to huge popularity, especially in Australia where it has reliably performed under the toughest environmental conditions - "Gets you there gets you back"! The author, Alexander Wohlfahrt, tells the history of these impressive vehicles, describes the people who drive them and their philosophy of this type of car - whether they use it for fun or business. Last but not least the reader will also find the complete technical specifications of all models and production lines within this highly illustrated book.
