Jet skis are immensely popular coastal 'playthings' - but they need careful handling and maintenance. This is a highly illustrated hands-on manual providing advice, hints and tips on choosing, driving, handling, maintaining and repairing a jet ski - the complete owner's manual. Many owners will prefer to service and maintain their own machine (much like they would with an outboard motor), rather than take it to a service agent, and the step by step photos in this book will enable them to do just this. This is a brand new, highly illustrated step-by-step guide for the jet ski owner (of which there are many in the UK alone) which provides helpful advice on all the aspects of ownership, handling and maintenance. There is no other book on the market which does this.

Just in time for the 40th anniversary of Saturday Night Live, a rollickingly updated edition of LIVE FROM NEW YORK with nearly 100 new pages covering the past decade. When first published to celebrate the 30th anniversary of Saturday Night Live, LIVE FROM NEW YORK was immediately proclaimed the best book ever produced on the landmark and legendary late-night show. In their own words, unfiltered and uncensored, a dazzling galaxy of trail-blazing talents recalled three turbulent decades of on-camera antics and off-camera escapades. Now a fourth decade has passed---and bestselling authors James Andrew Miller and Tom Shales have returned to Studio 8H. Over more than 100 pages of new material, they raucously and revealingly take the SNL story up to the present, adding a constellation of iconic new stars, surprises, and controversies.

Principles of Unit Operations

Have you ever listened to a sermon at church and felt overwhelmed because you did not understand the biblical references? Do you feel embarrassed because your kids seem to know more about the Bible than you do? Do you struggle to understand what certain books of the Bible are all about? If you answered yes to any of these questions, then Bible Synopsis is for you! Bible Synopsis is a "Reader's Digest" version of the Bible. Each chapter of the Bible is condensed into a clear and concise summary-no "thee's and thou's"-giving you "bottom-line," who-did-what type information. The book follows the same order as the books of the Bible, and includes helpful indexes at the end as well as a summary of important Bible characters. It can be used as an aid in personal or group Bible studies, and a complete CD with richly illustrated PowerPoint slides is available from Dr. Miller's website, Biblesynopsis.com. Bible Synopsis is a must read for anyone desiring to increase their understanding of the Bible. The Word will never be more succinct!
